Friday, October 21, 2022

Dear Parents/Guardians and Students:

We hope this correspondence finds you and your family well.

“Take Our Kids to Work” (TOKTW) is an initiative that provides Grade 9 students with the opportunity to **OBSERVE** a work environment for one day. As suggested by the *Premier’s Highly Skilled Workforce Expert Panel Report*, the program will support students to begin planning their future career path by helping them better understand the world of work.

On **Wednesday, November 2, 2022**, Grade 9 students will have an opportunity to spend the day at a workplace of a parent/guardian, relative, friend or volunteer. There is a [Family Guide Resource](#) available to support families with planning.

Please be advised that permission forms to participate in Take Our Kids to Work Day are available on School Cash Online. We ask that you review the permission form with your child and then sign off as per the instructions by logging into your School Cash Online account. If you do not have a School Cash Online account, you can create one by visiting [YRDSB/Schoolcashonline.com](https://www.yrdsb.com/schoolcashonline). Please submit the permission forms on or before Monday October 31, 2022.

Parents/Guardians can also choose to have their child participate independently in career exploration activities at home or at school. Please indicate this choice on the permission form so that schools can plan appropriately. Students who choose to attend school on this day will be supervised as they work through the virtual career exploration modules that will be available for them to do independently. Students will be able to access the Independent Career Exploration resources through the Mulock Guidance Google Classroom.

We recognize that you and your child may have questions regarding this information. If it is helpful for you to connect with a staff member from the school, please contact a guidance counsellor or administrator to discuss your questions.

Sincerely,

Debbie Ziegler,
Principal

Arthur Paulin Automotive Aftermarket Scholarship Award

Deadline: November 30 of each year Selected candidates
receive a \$700 award

[Application Form](#)

The Arthur Paulin Automotive Scholarship Award was named after long time AIA volunteer Arthur Paulin. Arthur served as President of H. Paulin and Company Limited for over 35 years and he became Chairman of the Board in 1990. Arthur never lost his passion for developing new products, new packaging, and new and better catalogues. He was a teacher and mentor to all who knew him. Mr. Paulin served on the AIA Board of Directors for more than nine years, and he served as President of AIA from 1965 to 1966, and then again from 1967 to 1968. Arthur was a strong supporter of education, and AIA believes that he would be pleased to know that through this scholarship he is assisting future members of the automotive industry.

Deadline November 30 - Bursaries and Scholarships

For over 40 years, KCSF has been a proud supporter of Korean Canadian students pursuing undergraduate and graduate education. Thanks to the overwhelming generosity of our incredible donors, KCSF is fortunate to be able to award up to 30 scholarships worth over \$130,000 in total scholarship amounts this year.
