Parents' Night: October 25th, 2017

Sir William Mulock Secondary School is happy to announce that we will continue to use Edsby to manage our Parents' Night scheduling. Edsby is an intuitive, cloud-based platform that will allow families to easily reserve times to meet with their child's teachers.

Families who have not already created an Edsby account in previous years will need to create one to access the online appointment scheduler for their child's teachers for Parents' Night. If you have created an Edsby account in a previous year, please go to <https://yrdsb.edsby.com/>. **Please note, only families who create an Edsby account prior to the schedule being opened on October 16th will have access.** For help signing up for Parent-Teacher interviews, please visit <http://bit.ly/edsbyparents>.

Earlier this morning, an email was sent from the York Region District School Board with instructions on how to create an Edsby account. Please check your junk mail folder to ensure you do not miss this opportunity.

If you have any questions or concerns, please email david.cashmore@yrdsb.ca
