Nellie McClung P.S. is participating in School Garden Day which takes place on Friday May 23. Before this day, we will be putting a plant in each classroom, starting seeds from seedlings to grow and make planters with beautiful flowers for each of the main doorways. On **May 23rd**, each class will go outside to plant flowers around a tree assigned to that class.
We are looking for anyone who has any connections with garden centres who would like to help us with any these projects.

Thank you very much,
The Eco Green Team
