

Nellie McClung P.S.

Administrator's Message

Principal Mrs. W. Thompson Vice Principal Mrs. C. Schlosser

360 Thomas Cook Ave
Vaughan, Ontario
L6A 4M1
(905)303-8113

We were very pleased to student-led evening/day. Communication between home and school is extremely important in order to support student learning and student achievement. Communication about student achievement should be continuous throughout the year and should include, in addition to the report card, such things as parent-student conferences, interviews, phone calls, communication through students' agendas, parent signature on assignments and tests, and review of rubrics.

Communication about student achievement should be designed to provide detailed information that will encourage students to set goals for learning, help teachers to establish plans for teaching, and assist parents in supporting learning at home.

Studies show that students perform better in school when their parents are involved in their education. Effective ways in which parents can support student learning include: attending parent-teacher interviews, participating in parent workshops and school council activities, and encouraging students to complete their assignments at home.

Throughout the school year, parents have the opportunity to meet with their child's classroom teacher. Some of these opportunities will be casual, while others will be more formal.

In mid February, your child will bring home his/her first term Provincial Report Card. The Provincial Report Card is only one of several means used by teachers for reporting student achievement to parents and students.

It has been a busy and productive autumn and we are getting close to the holidays.

December is a time of celebration and we are looking forward to seeing you at our Character, Recognition Assembly in December. On behalf of the staff at Nellie McClung P.S., we wish all of our families a safe and enjoyable holiday season.

Whatever you celebrate at this time of year, we hope it is fun and special for you and your family, and we thank you for all of your support thus far.

Our First Athletic Victory!

The Intermediate Boys and Girls volleyball teams had fantastic seasons. All of our Mavericks demonstrated commitment, perseverance and sportslike behaviour throughout the season. The Intermediate Boys Volleyball team played very hard and finished in a tie for third place at the Area Qualifier Tournament. The Intermediate Girls Volleyball team lost a heartbreaker match in the semi-final but finished in second place after the round robin games. All student athletes were tremendously dedicated and their hard work should be commended.

Go Mavericks Go!

A special thank you to Ms Mazza, Mr. Gerson, Mr. Bartolomeo and Mr. Raha for coaching our teams to achieve success.

Dec. 2, 2013

Volume 3, Issue 4

Superintendent: J. Parappally

Trustee: Joel Hertz

Indoor Shoes

Please consider footwear that can be reserved for indoor wear only (usually running shoes). This will help keep feet dry and warm and the classrooms clean as we approach the winter season.

Upcoming Dates

Dec.3/10/17.....VIP Program (Gr 6)
Dec.10.....Scientists in the School (Gr 5)
Dec.12.....Author Presentation (Gr 4)
Dec.12..... Safety Village (Gr 5)
Dec.16.....Social Networking Presentation
Dec.17.....Eric Walter visit (Gr 5-8)
Dec.20.....Winter Break begins
Jan. 7, 2014.....Back to school
Jan. 8, 2014.....School Council Meeting
Nov.30-Mar.7(Wed's only)...Pizza Day

The library would like to thank everyone very much for supporting our Scholastic Book Fair. It has been a great success. Through our sales we have earned over \$4000 to put towards our library.

Initiative

is our Character trait for the month of December.

Kindergarten Registrations

Kindergarten registration begins January 17, 2014. Any child born in 2010 should be registered for Junior Kindergarten. Registration will not be on a first come, first serve basis. Registrations for both Nellie McClung PS and Anne Frank PS will take place at Nellie McClung PS.

To register, please provide the following:

1. Birth certificate or Passport
2. Proof of residence
If you own your home:
 Utility bill (Enbridge or Power Stream) & the MPAC Property Assessment tax form
If you rent your home:
 Legal rental agreement & child tax benefit form

Illness and Appointments

Thank you to all parents who call in or send in a note if their child is to be away ill or at an appointment. It is also important that parents with ill children keep them home to avoid spreading any contagious germs. Thank you for your cooperation.

IMPORTANT INFORMATION FOR VOLUNTEERS

York Region District School Board has instructed all schools to ensure that any adults coming into our building to volunteer (even for a day) or going on a school trip are required to get a **Vulnerable Sector Screening** from the York Region Police Department. The following link provides information and a printable form to complete the process:

<http://www.yrp.ca/pvsc.aspx> .

Before you go for this document please contact the school's office so we can provide you with a YRDSB letter to waive the fee. Once the school has a Vulnerable Sector Screening, we will keep it on file to enable you to volunteer; the final part of the process from year-to-year will be signing an Annual Offence Declaration form.

Remembrance Day—Thank you!!

A huge thank you to all who contributed to our very sensitive and thoughtful 2013 Remembrance Day ceremony. Special thanks to each class for their artistic contributions.

**SOCIAL NETWORKING SAFETY
AN EVENING FOR PARENTS
WITH PAUL DAVIS**

DECEMBER 16, 2013
7:00PM

Friendly Reminder:

If you are signing out your child early, please send a note to the teacher so that your child will be waiting in the office for you. If you're not able to send a note, please call the office before 3pm as we do not like to interrupt classes. after 3pm.

Nellie McClung 2013 Holiday Food Drive!

Nellie McClung School Council is pleased to announce that Nellie McClung P.S. is teaming up with Humanity First Canada and will sponsor a food drive this coming Holiday Season. All non-perishable items are welcome! However, kids are encouraged to take an active role in this collaborative community initiative and try to bring the most needed items. For every food item brought, students will enter in the draw to become the “Nellie McClung Ambassador”. Twenty chosen students will go on a very special Nellie McClung mission to the local food bank run by Humanity First Canada.

“A Kid Like Me” Campaign Now Until December 13th

Our Campaign will work together with the “Holiday Heroes” campaign started by the York Regional Police in 2008. 100% of the donations directly support the children from our community who are in need.

We all do our best to nurture social responsibility in our children. The inaugural “A Kid Like Me” Campaign at Nellie McClung gives us a chance to pull together, involve our kids, and help those less fortunate in our community. On behalf of our kids and those less fortunate, we hope you can help make this Campaign and its goal a success. Let’s help our children help children, making our community a happier place for the holidays.

Thank you, in advance, for your support.

ECO TIP

As part of our initiative to be certified as an Eco School, we will be adding in an eco tip and some information about some eco things we are doing at Nellie. We are selling reusable water bottles!

ECO TIP:

It takes a lot of energy to produce bottled water! Drink tap water instead.

~~~~~

~~~~~

Nellie McClung has just developed a partnership with a company called Think Recycle. Think Recycle recycles unwanted electronics including cell phones and inkjet cartridges. We receive compensation for each item we recycle. As well, for every 24 qualifying items that we recycle, the company plants a tree in our school's name.

Bring in your old ink cartridges and cell phones to our school and drop them off in the box near the office. Our goal is to be an environmentally friendly school. Through this initiative, we will be saving the landfill from these items, earning money for our school and helping the environment.

## Cold Weather Guidelines as the Temperatures Drop

*Students need to come to school dressed to play outside during recesses (i.e., hats, scarf, gloves/mittens, boots, etc.). It is advisable for children to bring extra pants and socks in case they get wet. Being physically active during late fall and winter is an essential part of a healthy lifestyle.*

*The school administration keeps a close eye on weather conditions, including wind chill. When conditions necessitate, students will remain inside for recess. When conditions allow, reduced outdoor recesses may take place.*

**If a student is well enough to attend school, then they will be expected to go outside for recess.**

*We would ask that parents be sensitive to the demands placed on our secretary and not call the school to inquire about indoor recess, but rather that parents send their children dressed for outdoor winter play.*

## SNOW RULES

The time has come to review some of the rules around safety involving snow.

Packed snow poses many hazards including embedded grit and loose debris which can cause injury, heavy packed snow can also result in injury.

Our expectations/rules are few and simple:

1. All snow stays on the ground (no snowballs at all)
2. Snow can be moved to create snow forts, snowmen and snow angels
3. The construction of the aforementioned structures will be respected by all and
4. no knocking down or destruction by others.

These expectations/rules are repeatedly reviewed on the announcements, by the classroom teachers and school assistants.

## **Stay on Your Feet This Winter!**

Now that winter is almost here, it is critical that staff be particularly vigilant on icy and snow-covered pathways and parking lots and on wet floors.

To stay on your feet during inclement weather, the following techniques are suggested to reduce your chances of slipping:

- wear slip resistant footwear, appropriate for the weather. Leather soled shoes and high heeled shoes or boots are especially hazardous in winter.
- When getting in and out of a vehicle, always keep at least one hand on the handle or grab bar so you can catch yourself if you start to slip
- Don't hurry when conditions are likely to be slippery (take short steps)
- Check the bottom of your feet every time you enter a building and dry them in doormats at the entrance
- Don't carry items that will obstruct your vision

## Weather Watch

All students from Junior Kindergarten to Grade 8 are expected to go out for every recess unless the principal or vice-principal decides that weather conditions are so poor that it would be detrimental for them to be outdoors. Students are to come to school ready for winter and prepared to be outdoors up to 40 minutes after lunch. **We always monitor the weather and, in extreme conditions e.g. wind chill; we keep the students indoors or shorten the recess breaks.**

We often receive requests from parents asking us to keep their children indoors during recess times because they are not feeling well. Unfortunately, we do not have the staff or facilities to supervise students who are sick or still recovering from an illness. Students with heavy colds, etc., which are serious enough to prevent them from participating in physical education, recesses or other outdoor activities, should remain at home until their condition improves. This will likely benefit the students concerned and prevent the spread of this illness to others.

Please make sure that your children are dressed properly for our invigorating winter days. It is advisable for students to bring extra pants and socks. A change is often necessary due to the wet and cold weather of the winter months. To avoid adding to our clothing collection in the Lost and Found, please be sure to label all articles of clothing. Boots, hats, mitts/gloves, scarves, and snow pants for the younger children will help make recess an enjoyable time.

Wind chill - Minutes to Frostbite for exposed skin (Environment Canada)

| The following are approximate values |     |      |      |      |       |       |       |       |

## SCHOOL BUS CANCELLATION

To ensure the safety of students, school bus service may be cancelled from time to time due to inclement weather, extreme temperatures and/or poor road conditions. In these cases, parents and students should develop alternate care/transportation arrangements.

Since some busing schedules begin by 7:00 a.m., cancellation decisions must be made by 6:00 a.m. to allow time to communicate this message to bus drivers. Cancellation decisions will only be made after thorough consultation with the Safety Officers of school bus companies servicing York Region and are based on several factors including precipitation, air temperature, road conditions and weather forecast.

Please note the following;

- A decision to cancel school bus service will be **region-wide** meaning all school buses, vans and taxis will not operate.
- **School bus routes may be cancelled when severe weather may not be affecting all municipalities in York Region.** Both the YRDSB and YCDSB operate many regional educational programs. Students attending these programs are transported over large attendance areas encompassing several municipal boundaries. This limits the ability to cancel bus service using a municipality or zone methodology.

Unless otherwise stated, schools will remain open and parents can make arrangements to transport their children to and from school even if school bus service is cancelled. **If buses are cancelled in the morning, they will not operate in the afternoon. Therefore students transported to school by parents will require the same transportation home.**

Parents, students and school staff are asked to access the following radio and television stations after 6:00 a.m. to receive bus cancellation information:

### RADIO

# Toy Mountain is Coming to Vaughan!!

Giving Hope Today

**Thursday, December 12, 2013 at 5:00 pm**

Live Broadcast at 6 pm on CTV Toronto's News

**North Thornhill Community Centre, 300 Pleasant Ridge Ave**  
(south of Rutherford Road, east of Dufferin Street)

Donate a new, unwrapped toy at the North Thornhill Community Centre on December 12 to help us reach Toy Mountain's goal of 150,000 toys this year. Weather Anchor Tom Brown will broadcast live from the event during CTV Toronto's News at 6. We encourage schools and community groups to collect their donations in advance and bring them to this event on December 12.

***Help us reach the toy mountain goal, one toy at a time!***
