NMSC: REQUEST FOR FUNDS 2014-2015

Name of Requester (s):	Brian Bow		
Phone number of above:			
Date of Request:	May 11,2015	Date funds will be required:	By June
Total amount requested:	1479.25		

How will these funds be used:

I would like to use these funds to expand our band program. Give students the option of participating in the woodwind section with an addition set of flutes. This will expand the extra curricular segment of our school even though we have enough flutes currently for our classroom program.

How will this spending benefit the children, teachers, and/or school?

It will benefit make our band sound fuller and give everyone an opportunity to participate as we will have more available instruments while expanding our percussive pieces. This will allow us to compete and participate in band festivals and ceremonies with a larger ensemble.
