7. Brain Pop subscription for the year. \$220 per class. At least $\frac{4}{5}$ and $\frac{5}{6}$ junior classes(.BrainPOP supports individual, team, and whole-class learning.

At school and in informal learning environments, our characters help introduce new topics and illustrate complex concepts. Through "My BrainPOP," teachers and students can keep a record of learning accomplishments through quizzes, game play, and activities. The My BrainPOP suite of features includes access to the Mixer, which lets users tailor assessments to meet all students' needs, and Make-a-Map, our concept mapping tool. BrainPOP is also great fit for mobile learning and BYOD classrooms: our educational apps - available on all major platforms - have been downloaded millions of times, and lauded in countless reviews.)

8. Please consider Brain Pop for the two 3/4 classes. There is also Jr. Brain Pop for primary. We may want to have access to both. Cost for BrainPop Jr. is \$160 most likely that is american funds. (Note you can also purchase a school subscription BrainPop is \$1494 and Jr is \$1200)

October 6th Teacher Report

Staff Wish Lists:

J/I Wish List for October

Primary Wish List

Cross-Country Event:

All of our students gave a valiant effort at the cross country meet. We had outstanding results.

One of our senior girls (grade 8) finished in 7th place (out of 164 competitors) and will be representing Nellie McClung at the Regional Meet on Friday, October 10th (Bruce's Mill Conservation Area). Our grade 8 girls TEAM finished in 4th out of 34 schools.

We had two grade 8 boys finish in 7th and 11th place out of 158 competitors. Both of these boys will be representing NMPS at the Regional Meet on Friday, October 10th. Our grade 8 boys had a remarkable run as a team, finishing in 2nd place out of 34 schools. The grade 8 boys cross country team will also be representing NMPS at the Regional Meet on Friday, October 10th.
