Please continue to assist us by sharing the [BFCN 2020 SCHOLARSHIP DIRECTORY](#) with your networks. The directory is a resource that was primarily created for Black youth who are pursuing post-secondary education in Canada. Please click on the link and share with your child's school administration, with your network, with your neighbours. Let's get this important resource in the hands of every Black student who is planning or thinking of exploring post-secondary education. This continues to be a **NO COST TO YOU** resource for our community, if you are able to donate funds to assist in the continuation of the maintenance, please send funds to fundraiser@bfcn.ca.
