

Dear Newmarket High School Staff, Parents/Guardians:

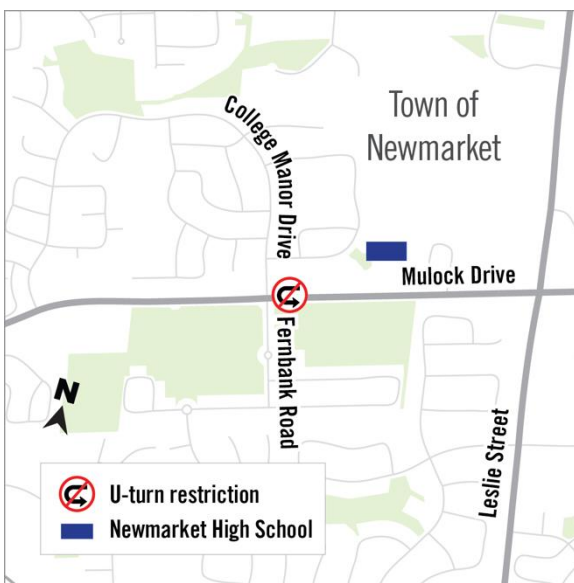

Re: Notice of U-Turn Restriction, Mulock Drive Eastbound

York Region continues to work in partnership with the Town of Newmarket to implement traffic safety initiatives on Regional roads. Regional roads are main arterial roads; examples in your community are Mulock Drive, Yonge Street and Leslie Street. There are more than 50 Regional roads across York Region's local cities and towns.

York Region is making a change to Mulock Drive near Newmarket High School to improve traveller safety and protect vulnerable road users.

Impacts to travellers and residents:

- Westbound traffic is not permitted to make U-turns at Mulock Drive and Fernbank Road/College Manor Drive
- Motorists travelling to and from the school will be directed to use the rear parking lot to access Mulock Drive eastbound.

For more information about traffic safety initiatives and the multi-year York Region Traveller Safety Plan, please visit york.ca/TrafficSafety

If you have any questions or concerns about this traffic change, staff will be pleased to respond.

Contact us using any method noted below and quote “**Mulock Drive turn restriction**” in your inquiry.
