2025 Timeline for Course Selection

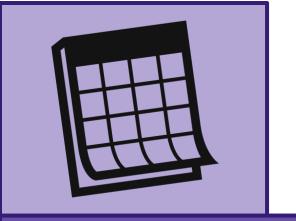

Online course submission **MUST** be completed by 3:00

p.m. on

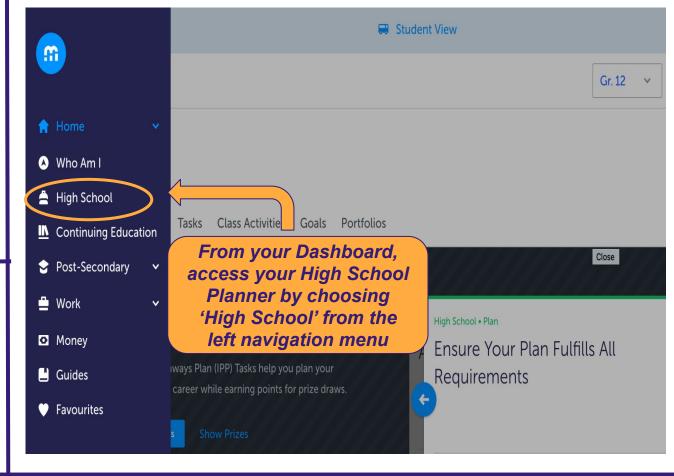

Friday, February 21st

NOTE: Once submitted, your course selection can only be changed by your **Guidance Counsellor.**

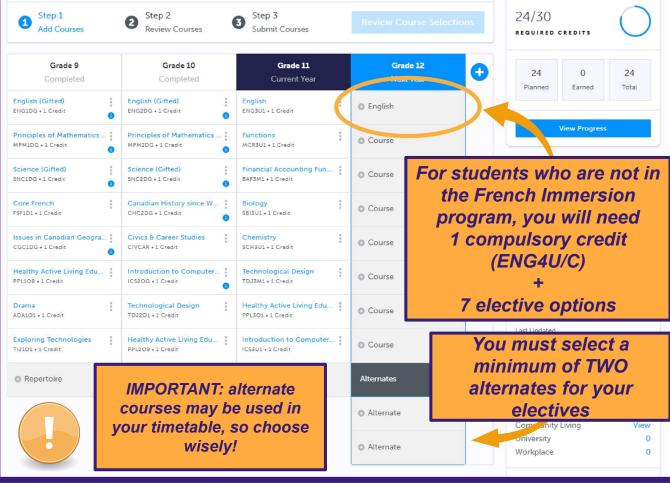

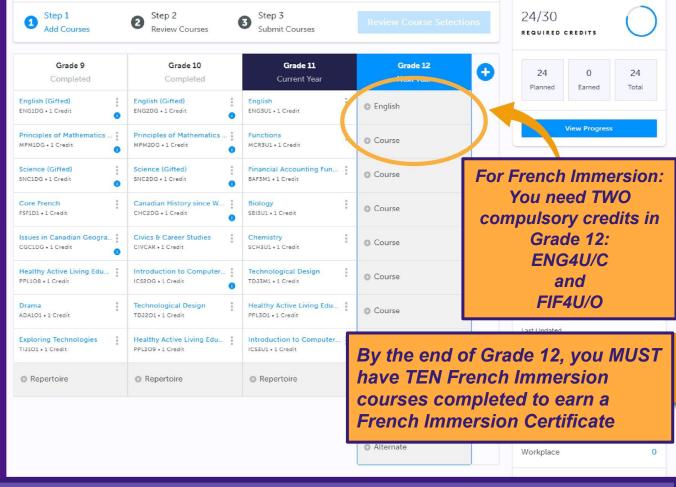

Grade 9/Year 1	Grade 10/Year 2	Grade 11/Year 3	Grade 12/Year 4
French Immersion - French FIF1DF*	French Immersion - French FIF2DF*	French Immersion - French FIF3UF or FIF3OF*	French Immersion - French FIF4UF or FIF4OF*
Science SNC1WF	Science SNC2DF or SNC2PF	Sociology, Anthropology, Psychology HSP3UF or HSP3CF	Issues of Indigenous Peoples in a Global Context NDW4MF
Canadian Geography CGC1WF*	Canadian History CHC2DF*	Travel and Tourism: A Geographic Perspective CGG3OF	
	Civics (0.5)/ Careers (0.5) CHV2OF/GLC2OF*	Leadership and Peer Support GPP3OF	

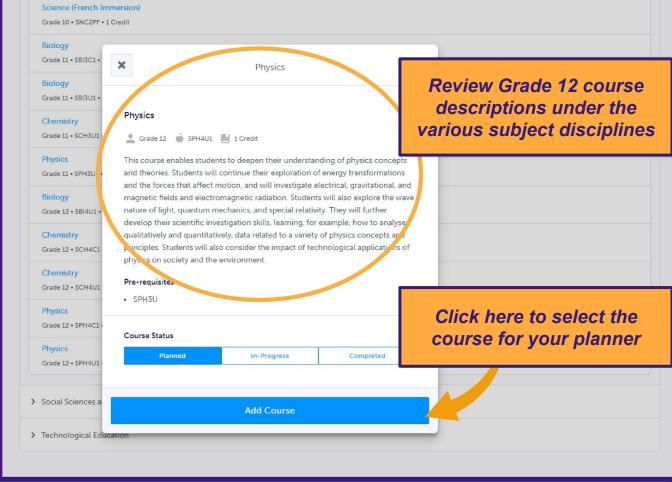

NOTE:

To qualify for the French Immersion Certificate, students must take at least 10 credits in French Immersion.

- *Required courses for the French Immersion Certificate
- At least three other courses taught in the French Language are required

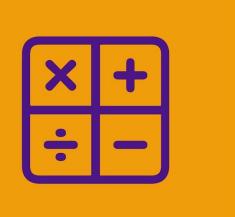

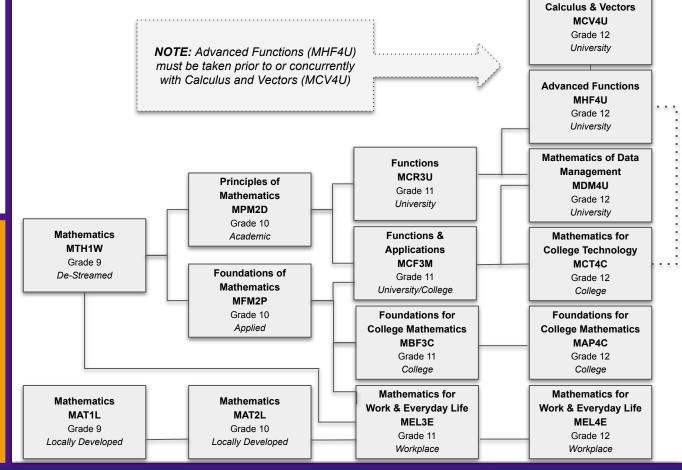

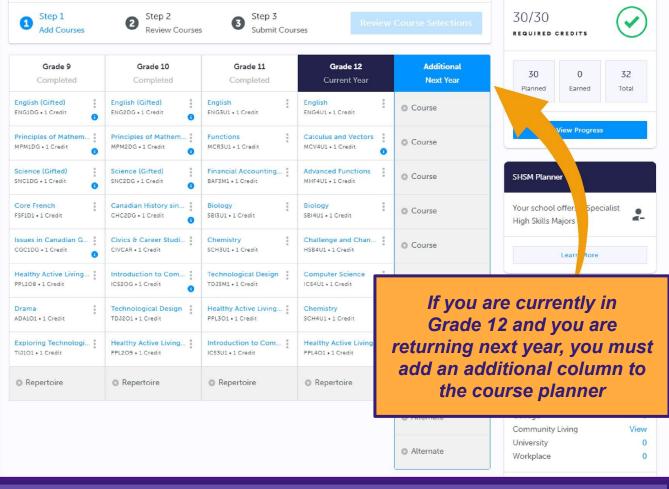

Online Learning Graduation Requirement: Course

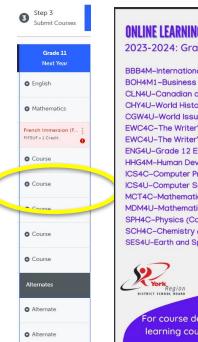

Beginning with students who entered Grade 9 in the 2020-21 school year, all students must earn at least two online learning credits as part of the requirements for an Ontario Secondary School Diploma (OSSD), **unless they have opted out** or been exempted.

If you would like to take a day school online learning course (asynchronous), you can select one the same way you would select any other course. When you click on the plus sign, there will be an option for online courses and you can decide which course you would like to take. *Not all courses are offered in this format*

The options are not currently available for viewing but they will be available for you when course selection opens.

Additionally, we will be posting the course offerings on the google classroom when they are released.

How to Select a Dayschool Online Learning

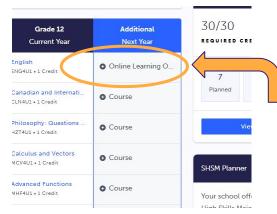

Students must earn at least two online learning credits to receive an Ontario Secondary School Diploma.

Opting Out

Students and Families who wish to be exempt from the online graduation requirement must complete the opt-out form available from the Guidance Department or click the opt-out box during course

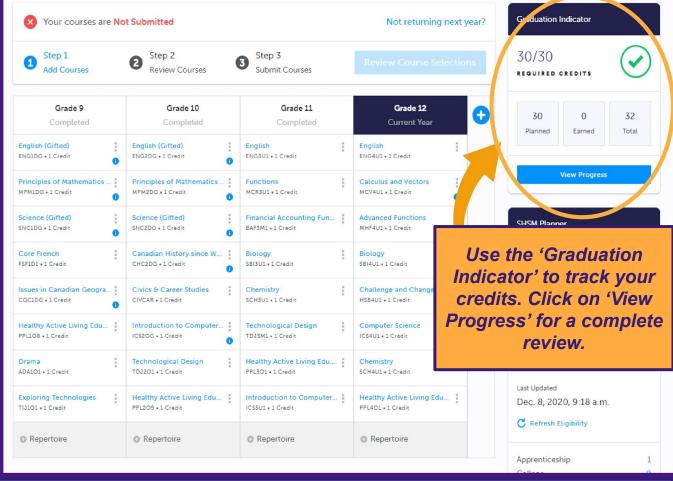

selection.

Look for Online Learning Opt-Out OLOPTO

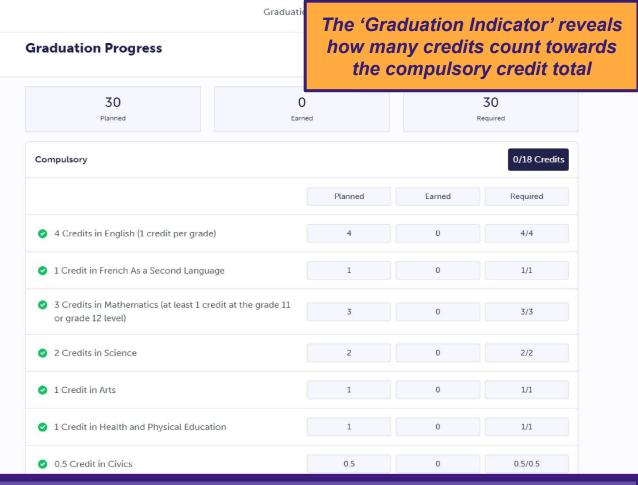

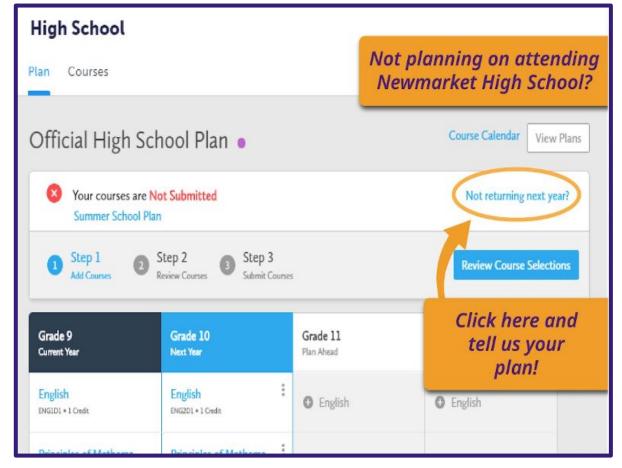

Important Considerations

- Grade 12 students <u>must</u> carry a <u>minimum of 6</u> courses for a full-time timetable (3 courses per semester)
- It is recommended that all students entering Grade 12 request <u>8</u> courses

ISSUE NOTE: MISSING PREREQUISITE OR SUBJECT MISMATCH

Please indicate in the comment prompt your reason. For example, planning to take the required course in summer school

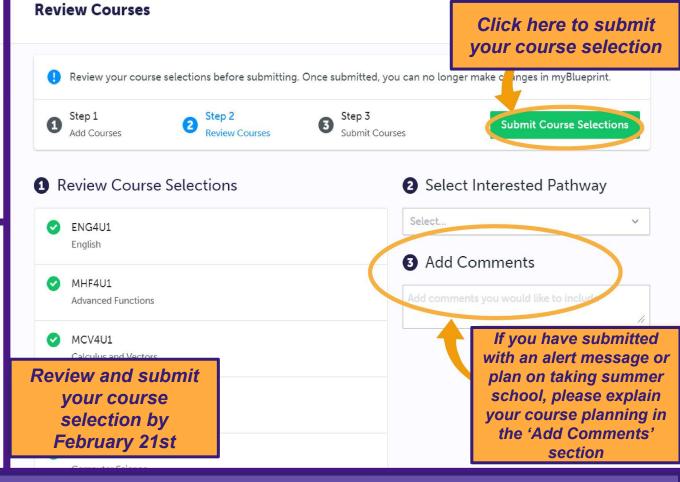

GUIDANCE MESSAGE:

Please review these important notes from Guidance informing the selection of these courses

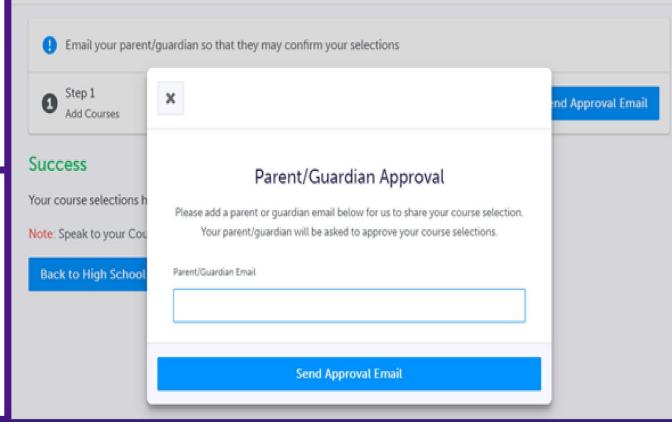

Submission Details

- Courses you select for next year will influence your post-secondary options!
- Research, consult, plan and review your selection.
- Speak with teachers, guidance, SERTs and parent/guardians.
- Look at post-secondary admission requirements for specific programs.

NOTE: Course types can be identified by the **5th digit** of the course code.

Be sure you are on track to graduate with your certifications (posted in the SHSM Google Classroom) and your required credits

If you are currently enrolled in one of our SHSM programs, please check that you will meet the required credits for your SHSM sector.

NHS offers SHSM in three sectors: Business, Health & Wellness and Construction.

APPRENTICESHIP AND WORKPLACE

Apprenticeship is a proven hands-on training program for people who enjoy l'aeming by doing' and who want to work in a skilled trade. About 90% of apprenticeship training is provided in the world use by employers. The remainder involved theoretical classroom instruction, which is the provided through training organization. Straining while they

WORKPLACE

YRDSB school-bo-work transition offerings are specialized programs that prepare students for employment or self-employment. These programs include both in-school and work-based experiences, including job shadming, work experience, co-perative education, and in-depth skills training, and require the involvement of employers in their development and delivery. These development is and delivery. These shadming or additional certification for students in apprenticeship and skills certification programs.

For all four of the pathways discuss this guide, consider the co-op progra to help get you there. Actual experie in a profession or industry can be extremely beneficial whether applyin collane, university, an apprenticeship ing straight to the workplace. Jet the many reasons for

COURSE SELECTION TIPS

 Strong math skills are required for some of the skilled trades (e.g. electrical, automotive service technician).
 Check carefully, you may require MCT4C.

Education)

If there is a skilled trade you are interested in, you should investigate co-op opportunities (e.g. construction sector may require you to consider a 4 credit co-op in Grade 11, in order to participate in the accelerated OYAP program in second semester Grade 12).

Apprenticeship

Diploma

PREPARING FOR THE DIPLOMA PATHWAY AT COLLEGE

- The most commonly required courses for admission to college diplomaprograms are Grade 12 English (ENG4C), Grade 12 Math (MAP4C) and Grade 11 or 12 Sciences (SBI3C, SCH4C).
- Most college diploma programs require college (C) preparation courses to meet specific course admission requirements. Carefully check Math requiremental Some college programs require/prefer Grade 12 Mathematics for College Technology (MCT4C) for which the prerequisite is MCF3M (not
- Many students take the college diploma pathway as a stepping stone for transfer to the university or college degree pathway. College admission requirements can vary a great deal from college to
- ollege, even when the program titles are the same certain you will meet their specific admission requirements. www.ontariocolleges.ca

COURSE SELECTION TIPS

- Students entering Grade 11 must select 8 courses
- Students entering Grade 12 should sign up for a full timetable (8 courses) If your college program (e.g. social work) requires documented experience, take co-operative education courses and/or volunteer if
- Take college program prerequisite courses at the college (C) level whenever possible (e.g. ENG4C rather than ENG4U), unless your college. program factors in a grade differential weighting when making admission decisions (note: the majority of colleges do not do this). Or, if you are confident you can achieve an equal or better mark in the U or Micourse
- Take courses for which you have the prerequisite credit as well as the

Dual Credit Courses allow Grade 12 students (while they are still in secondary school), to take college or apprenticeship courses that count towards both the Ontario Secondary School Diploma (OSSD) and a post-secondary college. program. Students may earn credits toward the OSSD through courses delivered by publicly funded colleges in Ontario that are participating in the ministry approved dual credit program. As well, SHSM and OYAP students may receive some industry-specific certifications in Dual Credit courses. Students can earn up to four optional credits through college delivered dual credit

Degree

PREPARING FOR THE DEGREE PATHWAY AT **COLLEGE OR UNIVERSITY**

- University admission usually requires a minimum of six grade 12 U or M courses (the number of accepted M courses depends on the university program).
- Check specific program requirements for each university
- Science program requirements vary greatly depending on the university.
- · If you wish to apply to a Bachelor's Degree program at college, you must meet university admission requirements
- · If you wish to apply to a joint College/University program (e.g. nursing) you must meet university

Flectrician

Landscape

Plumber

Tile-setter

Universities across the province. It enhances the student's understanding of the field of study they are interested in pursuing. Students can earn an SHSM certificate upon graduation.

Sector related occupation examples include:

Arts and Culture

Animator Designer Film Maker Graphic Designer Immigration Officer Museum Technician

Photographer Stage Drew Manager

Business

Advertising Banker Event Planner General Manager Insurance Agent Heavy Equipment Operator Law Clerk Marketing Director Paralegal Real Estate Agent

Construction Health and Wellness Air Conditioner Mechanic

Dentist Dietician Fitness Consultant Laboratory Technician Massage Therapist Paramedic Personal Trainer Physician Psychologist Social Worker X-Ray Technician

University Admission Requirements

- All Ontario universities require students to complete 6 Grade 12 U (university) or M (university/college) courses in order to apply and receive admission.
- Grade 12 English (ENG4U) is required for all universities
- Additional prerequisites in Math and/or Science are required for most Business, Computer, Engineering, Health, Math, and Science related programs.
- Specific requirements are found at: https://www.ontariouniversitiesinfo.ca/

Consider **University** if you...

- Enjoy a classroom setting and are an independent learner
- Are analytical and enjoy critical thinking, inquiry, and problem solving
- Have strong communication skills (written and oral)
- Are self-motivated and have good time management
