

Indigenous Languages and International Languages - Secondary Credit Programs

Dear Students and Families,

We welcome everyone to the 2022-2023 Indigenous Languages and International Languages (ILIL) program year and thank you for your continued support and patience.

During the pandemic, enrolment in the ILIL Credit program grew when compared to previous years. As a result, the program will remain in an online (remote) format. The program will be delivered virtually through synchronous learning, supported by asynchronous activities. Teachers will teach live language lessons in real time using Google Classroom to provide both synchronous and asynchronous learning opportunities during the regularly scheduled language classes. All program updates will be made on our [Board ILIL program homepage](#).

Did you know there are many benefits to taking credit language courses?

- Students can take one International Languages Course as a Group 1 - Compulsory or as an Elective Credit towards their Ontario Secondary Diploma.
- Students in the Secondary International Languages program can earn up to three credits towards graduation.
- If students earn a credit in the Level D (university) course, it can be used as one of their top six (6) marks for post-secondary entry. For example, if a student takes Spanish Level B, C and D, the student can submit their Level D mark as one of the top six marks for post-secondary applications.

Already Registered?

If you have already registered for our fall programs, we thank you. Your registration will be moved to the same day on the online Site. No further action is required (e.g., if you originally registered for Greek for Richmond Hill H.S. then you will be automatically moved to the Saturday ILIL Online Site).
