Land Acknowledgement

We affirm that we are all treaty people and acknowledge that the York Region District School Board is located on the lands of two treaties. These treaties are signed with the Mississaugas of the Credit First Nation and the First Nations of the Williams Treaties who are: the Mississaugas of Alderville, Curve Lake, Hiawatha, Scugog Island; and the Chippewas of Beausoleil, Rama, and Georgina Island our closest neighbour and partner in education.

To honour this agreement we will take up our responsibility to be respectful of their traditions, knowledge and inherent rights as sovereign nations. We will respect their relationship with these lands and recognize that our connection to this land is through the continued relationship with these First Nations, and we acknowledge our shared responsibility to respect and care for the land and waters for future generations.

Bring Your Own Device

NHS One-To-One Digital Technology Program

- All incoming Grade 9 students will be required to **bring in their own wifi enabled device (i.e Chromebook, Laptop)** to use as part of an enhanced blended learning environment.
- The decision to adopt a one-to-one Digital Technology Program is driven by the desire to support the promotion of productive, lifelong learning.
- A one-to-one computing environment has a positive effect on student learning as it puts students more in control of their own education.
- One of the biggest benefits is the ability to connect student learning with real world applications.

Important Websites

The screenshot shows the Newmarket High School website. A red arrow points to the York Region District School Board logo in the top left. Another red arrow points to the 'myPATHWAY planner' link in the bottom right. The website header includes the school name, navigation tabs (Newmarket H.S., School Information, News & Events, Departments & Programs, Students, Parents, Guidance, Library, School Council), and a Google search bar. The main content area features a calendar for Tuesday, November 22, contact information for the school, and a section for the 2022-2023 Learning Calendar. A sidebar on the left lists upcoming events like Grad Photos and Open House. A bottom section includes a Twitter feed and a 'Class of 2023' announcement.

Diploma Requirements

New Online Graduation Requirements

Beginning with students that entered Grade 9 in the 2020-21 school year, students must earn at least two online learning credits to get their Ontario Secondary School Diploma.

Opting Out

Parents who wish to opt out or exempt their child from the online graduation requirement must complete the opt-out form available from your child's Guidance Department.

The Grade 10 Literacy Test

- A Diploma requirement. Administered in the grade 10 year.
- A test based on language and communication (reading and writing) expectations of curricula up to and including grade 9
- Accommodations, deferrals and exemptions may be appropriate for some students
- If the standard is not met in the first attempt, schools will provide support; test is re-administered until student successfully completes the test or the Grade 12 Literacy Course

Community Involvement

- A diploma requirement
- Encourages civic responsibility, promotes community values and reinforces importance of volunteerism
- Complete 40 hours before graduation
- Can start in summer of grade 8
- Must obtain approval before starting involvement
- Student responsibility to keep record of activities
- Guidelines and forms will be provided to help track community involvement
- A great way to explore career interests

French Immersion Program

Grade 8 Parents Night

December 1, 2022

French at NHS

Students will communicate and interact with growing confidence in French...while developing the knowledge, skills and perspectives...to participate fully in Canada and in the world.

(FSL Curriculum, Ministry of Education)

French at NHS

French language acquisition and development occurs through:

- **Reading** (compréhension écrite)
- **Writing** (production écrite)
- **Speaking** (production orale)
- **Listening** (compréhension orale)

What to expect?

- Students can expect instruction and evaluation in each of these four areas, with an emphasis on developing lifelong language learners and critical thinkers.
- We expect that students are communicating in French with their peers and their teachers in FI classrooms.
- Students are encouraged to be proactive and seek assistance or clarification from their teacher when needed.

FI Certificate

- In order to graduate with a French Immersion certificate, students must complete 10 credits in French Immersion
- Of these 10 credits, 4 are compulsory French Immersion language credits (French, Grades 9-12)
- The remaining six are made up of French Immersion credit course offerings available from grade 9 through 12

How can I help my child prepare for high school French Immersion?

- Tune in to French language TV, film, and radio with your child (TVA, TV5, TFO, Radio-Canada)
- Expose your child to French language and culture outside of the classroom (Cinéfranco, cultural events in York Region and Toronto, Théâtre français de Toronto, Alliance Française Toronto, etc.)
- Encourage your child to read in French (magazines, websites,books!)
- Let your child become the teacher

MERCI

We look forward to welcoming your child to
Newmarket High School.

Enjoy the rest of your evening.
