Grade 9 Courses

NHS One-To-One Digital Technology Program

- All incoming Grade 9 students will be required to **bring in their own wifi enabled device** (i.e Chromebook, Laptop) to use as part of an enhanced blended learning environment.
- The decision to adopt a one-to-one Digital Technology Program is driven by the desire to support the promotion of productive, lifelong learning.
- A one-to-one computing environment has a positive effect on student learning, as it puts students more in control of their own education.
- One of the biggest benefits is the ability to connect student learning with real world applications.

LOCALLY DEVELOPED COURSES in Grade 9 and Grade 10

The Ministry of Education has approved the use of locally-developed compulsory courses. These courses have been developed to meet the educational needs of students whose skills fall below grade level. It is a guided approach to learning, using practical examples ,and concrete objects. Each student's strengths and needs will determine appropriate pathways through secondary school and in the school-to-work transition.

Gifted Program — Formal identification is required to be eligible for gifted programming

Program Focus

The NHS Gifted Program strives to broaden and deepen the learning experience of the student by:

- Providing an academic program to enable students to reach their potential
- Developing effective lifelong learning strategies
- Encouraging students to seek a combination of strong academic achievement, extracurricular activities, and community experience

Gifted Courses

Students must choose a minimum of <u>four</u> gifted courses in grade 9 and <u>four</u> additional gifted courses in grade 10.

Specialist High Skills Major (SHSM)—Business, Construction and Health & Wellness

What is a Specialist High Skills Major?

The Specialist High Skills Major (SHSM) program is an Ontario Ministry of Education initiative designed to help students develop specialized skills in various career areas while in high school. SHSM students earn a **RED SEAL Diploma**, giving them **extra** recognition among high school graduates. This additional qualification is recognized throughout the postsecondary pathways across the province. At NHS, the **SHSM** program has foci in the **Business**, **Construction**, and **Health and Wellness** sectors.

Who is it for?

Grade 11 & 12 students in ANY pathway (apprenticeship, college, university or workplace) who are interested in exploring a field of study related to the Business, Construction or Health and Wellness sectors.

What is required?

There are 5 required components:

- A bundle of eight to ten Grade 11 and Grade 12 credits, including Co-operative Education credits
- Sector-recognized certifications and training courses
- Experiential learning activities within the sector
- "Reach ahead" experiences in the student's post-secondary destination of choice
- Use of the Ontario Skills Passport (OSP) to document development of essential skills and work habits

High Performance Athlete Program (HPA) - Grade 9 - 12

Program Summary

The High Performance Athlete (HPA) Program is designed to meet the needs of students in Grade 10, 11 or 12, who are actively pursuing athletic training at a provincial, national, or international level. Using the experiential learning model, students in the program are able to earn one Co-operative Education HPA credit each semester reflecting the hours they spend actively training and/or competing in their sport.

The HPA Student's Timetable

All students work towards earning 4 credits each semester. HPA students can earn a Co-operative Education HPA credit. This credit will be timetabled to accommodate athletic training schedules using the 5th period of the school day, but will not interfere with the student's compulsory credit accumulation by grade.

Criteria for entry

• A minimum of 15 hours of training per week for 6 months

- Coach's recommendation
- Student has taken, or will concurrently take a Health & Physical Education course for which the expectations will also reflect the student's out of school learning experiences in their sport
- Must demonstrate maturity & independence in their academic achievement
- An application, including teacher references and a consultation

Evaluation

HPA course evaluation reflects the curriculum expectations for Co-operative Education programming and the student's PPLP (Personalized Placement Learning Plan). Evidence of learning will include the following:

- Log Sheets used to keep track of training hours
- Journals a personal log of training, progress, and experience
- Coach's Evaluation
- Coach's Evaluation

• PPLP-Related Assignments (e.g. athletic resume, health & safety protocol, etc)

To Apply

- Applications available on the NHS website
- Go to "Departments & Programs" → "High Performance Athlete (HPA)"

Important Dates for Grade 8's Planning to Transition to NHS

Elementary Partner School Counsellor Visits: January 13—January 21, 2025

- A Guidance Counsellor from NHS will present at your school to help facilitate the secondary school course request processes
- You will have the opportunity to consult with the counsellor about NHS programs and course options

Submit your course requests online through "My Pathway Planner" by February 21st

- Students will submit their course requests during the "Lock In" window from Thursday, February 13th to Friday, February 21st
- Students submit their course requests, **only once**, during the "Lock In" window. Note: once submitted, course selections can only be changed by contacting your Guidance Counsellor at Newmarket High School

TIPS FOR ONLINE COURSE SELECTION in 'MY PATHWAY PLANNER'

- Access the Course Selection tool in 'My Pathway Planner': From the Newmarket High School website: <u>www.yrdsb.ca/schools/newmarket.hs</u> click on:
 - Grades 7 12 Individual Pathways Plan and Course Selection

Login using your **YRDSB student number and password**. Be sure to select the **EDU domain**. From your **Dashboard**, click on the *View Courses* button that appears in the **Course Selection** box at the top left. Note: The button will say *Plan Courses* until the Course Submission "Lock In" window opens. You will now be in your **High School Planner**.

- Add Courses for Next Year in High School Planner: click + [Course] In the Course Selection and Details screen, explore the available courses. The Graduation Indicator will help you keep track of your progress. Click View Progress for a list of specific graduation requirements.
- Review & Submit Courses:

Prior to submitting, click the **Review Course Selections** button and give your selections one final look over. When you are satisfied with your selection, click on **Submit Course Selections**.
