If you are a new family to Northern Lights, please note that most payments throughout the year are to be made on [School Cash Online](http://SchoolCashOnline.ca). So, you will need to create an account for your child. The link is also in the header at the top of this page. School Cash Online will alert you when new items have been posted for purchase. We have attached instructions on how to create an account on School Cash Online. **You will need your child's student number** in order to create your School Cash Online account. You can get your child's student number from your Edsby account by doing the following:

- Log in to Edsby
- Click on your child's picture/name
- Click on "more"
