PARENTING WORKSHOPS AT WELLINGTON PS

Wellington PS is hosting two parent evenings, and you're invited!

Both sessions run from 7:00 - 8:30 pm at Wellington PS, and child minding is provided.

March 31st with Zohar Fisilovici: Mindfulness and Emotional Regulation Techniques

April 7 with Carolyn Hadcock: Power of Nature to Heal Children

Please see the attached flyer for more information. The RSVP tear-off can be returned to NLPS, and we will communicate this information to our colleagues at Wellington.

PARKING LOT SAFETY

Please exercise caution and respect, both when using the Kiss n Ride to drop off students, and when parking in the NLPS parking lot. Remember that **cars may not be left unattended in the Kiss n Ride**. When parking, please only park in marked/legal spots and always look carefully before moving your car. Safety is our number one priority!

We encourage students to walk to school when possible, as this option is healthier, more environmentally friendly, and helps to keep our parking lot less congested.

Thank you for your support!

BUS LOOP SAFETY

Please remember that our bus loop is reserved for buses and taxis that transport students.

For student safety, **it is very important that parents' vehicles are not in the loop during arrival and dismissal time.** If you are dropping your child off to the front door, it must be after 8:45.

Please note that the bus loop is also a fire route. **At no time should a vehicle be left unattended.**

BUDGET CONSULTATION PROCESS FOR PARENTS

Between March 25 and March 31, York Region District School is inviting parents, guardians and community members to participate in its annual budget consultation process. The Board values parent input and encourages you to attend a consultation session. These sessions provide the Board with valuable information about how the community would like to see the school board budget allocated to better support student achievement and well-being. The results will be used to inform the 2020-21 school year budget allocation.

Please see the attachment for additional information.
