

Getting started with digital books in your browser

Use these steps to borrow digital books from your school and start reading or listening to them right in your web browser.

Step 1

Go your school's OverDrive website: http://***.lib.overdrive.com

Step 2

Sign in with your student ID or school login.

Step 3

Borrow a book.

Step 4

Go to your **Checkouts** page (under your **Account**). From there, click the **Read** or **Listen** button to open the book in your browser.

About our browser-based reader and listener

OverDrive Read is a browser-based reader, and OverDrive Listen is a browser-based audiobook player. They don't require software or downloads; they just require an up-to-date web browser.
