Student Newsletter: 10/13/18

Hello parents and guardians of Oscar Peterson Public School. This week we will be informing you about upcoming events in your child's school community, as well as a recap on what has already happened.

The Terry Fox assembly is coming up this week. If your child raised money, they will be entered in a raffle to win an assortment of prizes such as Gift Cards, baked goods, lunch with a teacher and so much more. All money donated will go to cancer research to help find a cure for cancer.

Our Flag-Football team played extremely well last Friday, and did a great job of representing our school.

Our Intermediate Boys Volleyball Team also had a game on Tuesday night. They played Mazo, and beat them in all three games.

Parents of the students who participated in Cross-Country will know that our Cross-Country team did very well. Many of our runners will be going on to Regionals. We had a successful day, and are proud of all our runners. We hope that all runners continue to run, even if they didn't qualify.

For all students, interested in joining the Lego Robotics team, it will be starting sometime this month.

If you are interested in competing in the Oscar Peterson PS chess tournament there will be sign up outside room 200. The chess tournament will begin on October 15, where your child could compete to win the tournament prize.

In conclusion, we are extremely proud of all our teams, and can't wait for other clubs to get started. We wish all families a Happy Belated Thanksgiving!
