Sub Day Update

This week, the owners at Subway apologetically got our subs to us very late. To make it up to those students who ordered and waited, they have offered to give each student the same free sub at the end of this order period. Students will receive this free sub on Wednesday January 11. Thank you to all students for waiting patiently. Please contact Mrs. Ploder or the office with any questions.

Community Corner

Support our October 31st 'Dance-a-thon!'

The purpose of this **Major Fundraiser** is to promote our Healthy Schools Plan to increase student physical activity through dance and to raise money to support the installation of an outdoor classroom this year.

Students from Kindergarten to Grade 8 were sent home pledge sheets and event details already. These sheets are also attached for your reference. Students are encouraged to dress up for Halloween in a safe and appropriate costume. A professional DJ has also been hired for this event sponsored by your School Council.

Safety Reminder

Just a reminder for our students and parents to please use our designated cross areas in front of the school and to always look both ways. Please do not walk between our bus. Thank you to our parents who are using our kiss and ride loop each day!
