Bus Cancellation Reminders

The arrival of November signifies the onset of the unpredictable weather. We can anticipate the season's first snowfall along with cooler temperatures. Please ensure that your children are dressed warmly and prepared for outdoor recess each day. We also know that those first 'snow days' can take us by surprise. If you suspect that busses may be cancelled due to the weather, please confirm this by checking local television stations, City TV, CFTO or radio stations, 640AM, 1010AM, 98.1FM, 99.9 FM. Remember that if busses are cancelled for their morning run, they will be automatically cancelled for their afternoon run, even if the weather improves throughout the day.

Triple P Tip of the Month Self-Esteem

Children form views of themselves as a person, their value as an individual and how good they are at doing certain things form as they grow up. It is important for parents to encourage children to be confident to develop healthy self-esteem. This means children having a true sense of their strengths and weaknesses.

KEY STEPS:

- Praise your child's efforts and achievements
- Tell your child you care
- Help your child make friends
- Encourage your child to set goals, do things for themselves and assess their achievement
- Encourage your child to express their ideas and make decisions
- Help your child manage their feelings, think realistically and be optimistic
- Teach your child to solve problems for themselves

Don't forget to check out the new Triple P Ontario website for online resources and podcasts for parents of children from birth to teens.
