

Friday, October 4, 2013.

Dear Parents,

You are invited to a Grade 1 literacy night on Thursday, October 10, 2013 in the Pierre Berton Learning Commons from 7:00 to 8:00 pm. The focus of this night is to introduce you to the Grade 1 Home Reading Program that will be starting. We will tell you about the program as well as give you materials and suggestions that you can use to support your child at home.

On that evening, you will take home your child's home reading package to begin. As this is an information evening, children will not be in the Learning Commons with us. However, if you are in need of babysitting it will be available.

We ask that you please return the bottom portion to RSVP for the event by Tuesday, October 8, 2013.

Thank you,
The Grade One Team
