School Improvement Plan For Student Achievement and Well Being Respectful School, Modern Learning, Math and Mental Health

## Principal's Message

It's hard to imagine that we have now completed the 2016-2017 school year. What a productive and fun year it has been! We have all witnessed our students work very hard to meet the academic expectations of their grade and to build on and improve their learning skills and work habits. Our students' achievements could not be possible without the support they receive on a daily basis from all members of our school community. Thank you to the teachers and support staff who work collaboratively to meet the needs of our students and to make learning possible for our students. Thank you to School Council and all our parents and guardians who support our efforts in so many different ways.

I wish you all a very happy and safe summer holiday and we are looking forward to working with you and your children next year.

Síncerely, Natasha Baage

## Fun Fair Festival

This special event would not have taken place without the dedication and efforts of our parent volunteers. A special thank you goes out to Julie Song who headed the Committee. Your commitment and dedication to the well being of our students are much appreciated by students, staff and the parent community at large. Funds which were raised at the event will be used to enhance our students' educational experiences in the classroom and beyond.

Sincerely, Mme Baage

#### MESSAGE FROM THE FUN FAIR COMMITTEE

2017 FUN FESTIVAL – A Grand Success! CONGRATULATIONS POPLAR BANK P.S.!

Our Fun Festival is the most successful event in the

school's fundraising history! Together, we raised over \$8,500 that will go towards school initiatives including literacy programs, technology purchases, equipment, student resources and the 'Crunchy Munchy' fresh fruit program.

**MANY THANKS & MERCI BEAUCOUP** to all the families, staff and students who provided so many wonderful donations for the Themed Basket Raffle, Fun Festival prizes and the Silent Auction. Your generosity and support are the reasons why the Fun Festival is amazing every single year!

A SPECIAL THANK YOU goes out to all the Fun Festival volunteers & school staff who spent countless hours working on this event. Your time, energy and donated supplies were priceless. Without you, this amazing event could not happen.

#### MESSAGE ABOUT TOPPERS PIZZA COUPONS

There has been some confusion regarding the Toppers Pizza coupon that was distributed with Fun Festival tickets & site maps. This is NOT a coupon for a free large pizza with 2 toppings. The coupon is for the purchase of a large pizza with 2 toppings for the price of \$10 with \$4 of each purchase donated back to the school. A regular price 2 topping large pizza is \$17.50, so the coupon saves you \$7.50.

Toppers Pizza is showing the school substantial support through this special coupon that was made just for us. The school can expect a donation from Toppers Pizza by mid-summer after the coupon expires. Thank you to everyone who has used the coupon to buy a \$10 pizza with this coupon.

#### See you next year!

We hope you all enjoyed the 2017 Fun Festival. Have a safe and wonderful summer!

#### School Council

On behalf of the students, staff and the school community, I would like to thank our School Council Committee for generously volunteering their time during the past school year. A special thank you goes out to Karen Peck and Veronica Jouaneh who jointly held the position of School Council Co-chairs. Your efforts, dedication and commitment to our students' academic achievement and well being are very much appreciated by us all.

Sincerely, Mme Baage

#### MESSAGE FROM THE PARENT COUNCIL

**THANK-YOU TO ALL OUR VOLUNTEERS!!** We had a wonderful Volunteer & Staff Appreciation Tea on June 15<sup>th</sup>. At that time, we thanked our principal, teachers, office staff, lunch monitors, caretakers, crossing guards, and all our parent volunteers who contribute their time and energy to our school! We really are so lucky to have such an amazing team of dedicated individuals. We were sorry that more of our parent volunteers could not attend, but we hope you know how much we appreciate you!! There are too many names to mention (and I would hate to miss anyone), so here is a list of how our volunteers participate in our school throughout the year:

School Council Lunch & Milk Programs Crunchy Munchy Healthy Schools Garden / Eco Initiatives Fundraising (Dance-a-Thon, QSP, Fun Festival) Classroom Help & Field Trips Library Help

**Fun Festival** – It was the most successful Fun Festival to date!!! Our school and community participation was at its highest, thanks in big part to the beautiful weather. A special thanks to Julie Song for taking the role of organizer this year! We all know and acknowledge what a big event this is and she did an amazing job! Thank you to all the committee and parent volunteers that supported Julie with this event...it really does take a village!

**Smoothie Day** – was held on **Tuesday, June 20**<sup>th</sup>. Smoothies were delivered to every student and teacher in the school. A huge thank you to Adrian and Susan Glauser for organizing this much-loved student event! We will miss them next year, but hope our parent community will continue to keep their wonderful tradition alive.

**School Council Meeting** - Our final meeting was on Wednesday, June 14<sup>th</sup>, 2017. It was a very successful year, and we are very proud to have funded many school programs and initiatives! Thank you to all our school council members and parent attendees who brought their amazing ideas and energy to the table! As we look forward to the 2017-2018 school year, we ask parents to consider joining School Council. Every year we have to say goodbye to some parents whose children are moving onto high school and we wish them well. But they will be missed, and we need new parents to join us to help make PBPS the best it can be! Please consider filling out the School Council Nomination forms that will be in the September welcome package. Elections will take place on September 19<sup>th</sup>, 2017 (double-check date with Natasha)

**Social Media** – Are you on Facebook? If so, please follow us at <u>https://www.facebook.com/PoplarBankPS</u> to have school activities and important dates and reminders appear in your News Feed. #### \*\*\*<u>Should it rain on the first day of school</u>\*\*\*

- Grade 2 students will go to the gym
- Grade 3 and 4 students will go to the library
- Grade 5-8 students are to proceed to their second floor hallways where their homeroom teacher can be found. There will also be 2 teachers, Mme. Hazelwood and Mme Smith, wearing a vest and carrying a master list of classes, to assist students in finding their classroom. Please locate one of these teachers if you have questions about where to go.

Classroom lists will be posted outside of each classroom and on the walls in the assigned area of each grade. Teachers will be holding a sign indicating their grade level and will have a class list.

## **Transportation Reminder**

Please be reminded that your son/daughter's school bus transportation eligibility can change throughout his/her school career. Because walking distance requirements change in Grade 4 and your son/daughter will be attending Grade 4 next year, we encourage you to review his/her eligibility.

Busing in the York Region District School Board is provided in collaboration with the York Catholic District School Board and is governed by Board Policy #680 Student Transportation (full policy on the Board website at <u>www.yrdsb.edu.on.ca</u>). Below are the general provisions of eligibility identified in the Student Transportation Policy:

- All YRDSB students in Grades JK-3 who live within 1.2 km of their school are not eligible for transportation
- All YRDSB students in Grades 4-8 who live within 1.6 km of their school are not eligible for transportation
- All YRDSB students in Grades 9-12 who live within a transit served area are not eligible for transportation.

The distance is measured from the end of any driveway, via the shortest distance to the closest access point of the school property. Measurements are conducted using GIS software and confirmed via aerial photos. For more information about bus transportation and to determine your son/daughter's eligibility please visit <u>www.schoolbuscity.com</u>.

#### Dear Parents,

Here are some ideas to practice French during summer. You have a lot of reading, listening activities organized by subject and grade: for Gr 1 and Gr 2 go to 1er cycle, for Gr 3 and 4 go to 2e cycle and for Gr 5 and 6 go to 3e cycle. The best experience is to hear stories with speakers or headphones. Enjoy your summer.
