Principal's Message

On behalf of the staff at Poplar Bank, I would like to extend a warm welcome to our new and returning students and families!

As the returning Principal at Poplar Bank P.S., it is an honor to have the opportunity to serve again such an outstanding community. I am looking forward to working with you, your children and the staff.

I truly believe that strong partnerships between parents and staff are crucial to maintaining a positive learning environment, where each student feels safe, valued and respected. It is through these strong connections that we can build a community focused on increasing student academic achievement and well being. Therefore, I invite you to visit our school, your school and to actively participate in your children's education. This participation may come in a variety of forms including: joining the School Council, volunteering at the school, attending school-wide events, checking your children's homework and agenda on a daily basis and communicating questions or concerns to me and the teachers.

I look forward to working with you. I wish everyone a great and fun start to the school year!

Mrs. Natasha Baage

For legal and safety reasons, written permission is required for all medication including inhalers, Aspirin, Tylenol, Advil, etc. All medication is kept locked in the office and students are supervised as they take any medication.

Students are not permitted to bring medication to school and keep in their classroom, lunch bag, backpack or lockers.

Epi-Pens

If a student is anaphylactic, please ensure you have picked up the necessary forms from the office to fill in. Each student is required to have one epi-pen in the office and one on their person. If you have not recieved these forms, please see the office.

Safety is Our Top Priority: Routines and Guidelines

1. Nut Alert! We are a Peanut/Nut-Free School

Please do not send peanut, peanut products or other foods that contain nuts or nut products to school. We have students and staff members who are anaphylactic. This means that exposure to even the smell of peanuts can result in a severe allergic reaction that can be life threatening. Some safe snack foods are: fruit, veggies, cheese and crackers, fruit roll-ups, mini-bagels with cream cheese, milk puddings and yogurt. **Prior to sending in food for the class, please contact your child's teacher.**

2. Before School:

Supervision on the school yard pavement begins at 7:50 a.m. Between 7:50 -8:00 a.m., all grade 1-8 students are together on the pavement around the east and south sides of the school building. The entrance bell rings at 8:00 a.m. Students are to walk to their respective entry doors, proceed to class and get ready for the school day which begins at 8:05 a.m.

3. Picking Your Child Up at 2:35 p.m.:

When picking up your child, please do not park in the drive through at the front of the school or in the North bus loop as these areas are out of bounds. Meet your child at their exit doors.

4. Parents Visiting the School:

- **a**) When dropping off a child in the morning, please do not walk though the school with your child. Students are to wait outside their assigned entry doors.
- **b**) When dropping off your child's lunch or homework, please come into the office and we will ensure that your child gets the item.
- c) We will not interrupt curriculum times for you to speak to your child unless it is an emergency. Please make any alternate arrangements at home.
- **d**)When picking up your child for an appointment, please come into the office to sign your child out and we will call your child down to the office.
- **e)** When picking up your child at 2:35 p.m., parents are to wait outside the appropriate exit doors.

Lunchtime Routines

Any student who brings lunch to school is to remain at school and is not permitted to leave school property unless he/she has parental permission.

Students will:

- Follow school expectation regarding lunch procedures and behavior.
- Sign out at the office if leaving with a dated note signed by a parent (unless you have comlpeted 7/8 permission form)
- Once children leave school property and return to school, they are NOT permitted to leave a second time during the lunch hour and must line up with their class for regular entry at 12:55.

Lunch privileges may be withdrawn if rules and expectations are not followed.

6. Students Who Take the Bus:

During the first week, there are sometimes difficulties with bus time arrivals and departures. The transportation department works closely with us to sort out the problems we are experiencing. For help and information, feel free to call Mrs. Grigorvitch or Mrs. Vaz in the office or you may seek assistance at www.schoolbuscity.com.. Your child's safety is our top priority. September is a time for parents to discuss bus safety, and stranger danger. These rules will also be reviewed and reinforced in September and throughout the year by school staff. **Please note that we do not grant permission for students to change buses.** Students must ride on the bus assigned to them by the Transportation Department

7. After School:

Students are dismissed at 2:35 p.m. and they are required to leave the school grounds immediately after school. There is staff supervision on the east and south pavement adjoining the school from 2:35-2:45 p.m. Please note that there is no supervision for students who choose to play in the nearby Town of Newmarket playground or fields around the school. Students who have not been picked up by their parents are to report to the school office at the 2:45 bell where they will wait and an office staff member will contact a parent.

8. Safe Play Guidelines:

In order to prevent physical injury and because of our concern for student safety, students at Poplar Bank P.S. are expected to avoid activities that involve aggressive play and physical contact. Recess activities that are not acceptable include wrestling, piggy-backing, football, lacrosse, tripping, baseball, pushing, shoving, body-checking, poking, punching, play fighting and other forms of rough play in busses, stairwells, hallways and playgrounds. During recess breaks, students are able to play organized games such as basketball, soccer and foot hockey as well as activities such as skipping and tag. We ask parents to regularly review these expectations with their son/ daughter to ensure that our school is a safe place for everyone.

HOW CAN I HELP MY CHILD AT HOME?

Parental Support of Literacy Skills

Literacy is about more than reading and writing. It is about how we communicate in society. Literacy takes on many forms: on paper, on the computer screen, on TV, on posters and signs. At Poplar Bank, we regard parents as partners in our quest to develop our students' literacy skills.

Reading should be an activity enjoyed by all at home. Reading to or with your child on a regular basis and talking about the book or article read are two important activities parents and children can share. The following are a few tips you may wish to practice at home to make the reading even more productive.

- 1. Ask your child to look at the cover and name any objects and characters they know. Read the title and the author's name. See if the cover and title remind you of any other books you have read together.
- 2. Flip through the pages and note other objects and characters in the pictures. This is called "previewing" the book. Ask your child to "predict" what the story may be about.
- 3. For primary students, run your finger beneath the words as you read. Stop once or twice to ask questions like, "What do you think will happen next and why?" and then read on to compare the story to your child's guesses.
- 4. Afterwards, sum up the story line by talking about the beginning, middle and end of the book.
- 5. Connect the story line to real-life events. Did an event in the story ever happen to you or your child? Do the characters remind you of anyone you know?
- 6. Evaluate the story or article. (Did your child like the story? What was the best part? Who was the silliest character? Did the article give accurate information?)

Have fun reading together!

Safe Arrival Program

Our students' attendance check is an important part of our daily routine to ensure that your children have arrived safely at school. We ask that you cooperate with us by following the steps listed below:

- 1. Call the school before 8:00 a.m. if your child will not be attending school that day and / or will be late.
- 2. Please use our voice mail system to leave us a message before/after school hours.
- 3. Please call every day of your child's absence. This is the only way to ensure the integrity of the Safe Arrival Program.

The following set of actions will take place if your child is not in school and his/her absence has not been accounted for by a call or by a written note.

- A. First, we will call your place of residence
- B. In the event that we are unable to reach you at home, we will next call your place of business/cell
- C. If no contact is made then we will call the emergency contacts you have provided...and lastly...
- D. The York Region Police will be called for assistance in locating your child.
