# Early Dismissal June 28

All schools in the York Region District School Board are committed to improving student achievement and well-being. On **Thursday, June 28, 2018**, an early release day will take place to allow elementary teachers and support staff to take part in meetings during the afternoon of that day. These meetings will allow for school staff to engage in culminating activities regarding the review and revision of the School's Improvement Plan as well as year-end and transition activities that support student success.

As has been our practice in the past, students will attend school during the morning of Thursday, June 28, 2018 only. Students will be dismissed early that day at **11:50 am**. Arrangements will be made to ensure that students who are normally bused to and from school will receive transportation at this time. Parents/guardians whose children attend after school child care should make appropriate arrangements to address this change in schedule.

# AROUND OUR SCHOOL...

Our Kindergarten and Gr. 1/2 students have been busy with their caterpillar/butterfly inquiries. Students were so happy to release them in our school yard. Thank you, School Council, for your support with this learning opportunity.

Check out these beautiful, art pieces created by our Gr. 1/2 students that are on display in our hallway.

Congratulations, staff and students, on this accomplishment! Thank you to our student leaders on our Healthy Schools Committee for their hard work and leadership.

Students are actively engaged in modern learning and are always busy making and creating objects while participating in creation challenges in our Learning Commons.

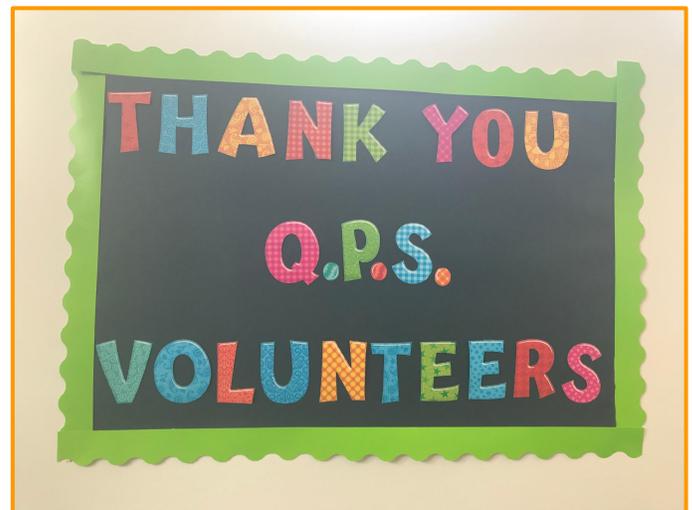

# SCHOOL COUNCIL CORNER

School Council would like to thank everyone for all of their support this year. With your help we have been able to provide a lot of programs for students like You're the Chef, Scientists in the Classroom, Butterflies, a Family Movie Night and three skating sessions, among others. We will also provide a pancake lunch and a BBQ lunch in June for all students. We wish everyone a safe and happy summer and look forward to your continued support and participation in the new school year.

The success of our School Council initiatives rely heavily on the amazing volunteers and support from our Community.  
Thank you to all of you for all you do!

**Our first 2018-2019 School Council meeting is scheduled for Monday, Oct. 1, 2018. All are welcome!**
