

RAMER WOOD NEWS & EVENTS – TUESDAY, JANUARY 23, 2018 – ISSUE # 14

Today, I am writing to share that the city of Markham is in the process of hiring a new crossing guard for the intersection of Cairns Drive and Higginson St. Please be advised that there will not be a guard on duty at the intersection this week. I have made an announcement to students cautioning them to be extra careful watching for cars if they cross at the intersection. If you are interested in becoming a crossing guard in Markham please call the school office for more information.
