

RAMER WOOD NEWS & EVENTS – TUESDAY, MAY 8, 2018 – ISSUE #25

This has been an exciting time at Ramer Wood!

Yesterday, our Grade 8 girls attended the Skills Ontario Young Women's Conference on careers in the skilled trades and technologies sector. By all accounts it was a worthwhile day with lots of information and hands on activities to explore. Thanks to Ms. Dranfield and Ms. Cheng for their support and supervision during the day.

At the same time, our awesome Robotics team was competing at the Provincial level. After placing first in the area and regional competitions earlier this year they placed 3rd in a field of 18 schools from across the province. We are very proud of their accomplishments. Thanks to Mr. Watson for his coaching of this team.

Last night, Mrs. Paterson joined many of our Ramer Wood families past and present at the Markham Theatre. Our concert band, under the direction of Ms. Adarna-Chung, performed at the Markville Secondary School Pops Concert. Our band played well and made us proud!
