COVID-19 School and Child Care Screening Tool

COVID-19 Screening Tool Update

Thank you to our families for their ongoing support in completing the daily screening tool. Students, parents and guardians will still be able to access the [link to the tool](#) through the York Region [Staying Safe at School Webpage](#). All students must screen for signs and symptoms of COVID-19

every day before attending school or child care. Even if you or your child is fully vaccinated, you must continue with daily screening and testing if you or your child have one or more COVID-19 symptoms.

Mild Symptoms As a reminder, anyone experiencing symptoms, including mild symptoms not included on the provincial screening tool (eg. runny nose, sore throat etc.) should **NOT** attend school or child care. If your child is away from school due to illness or absence, parents/guardians are to complete the [Parent Attestation Following Child Illness or Absence - Return to School/Child Care](#) form. The completed form should be emailed before the student returns to class or can be printed and sent back to school with the student in their backpack.

School Start-Up Forms

Parents/guardians received an email from YRDSB Update with important school start-up forms to complete. It is important that these forms are completed as soon as possible at the start of the school year as they contain important information and permissions.

The forms can be found at <https://startupforms.yrdsb.ca/>

Please contact the office should you require further information.
