Social Media Reminder

At our school, we recognise that some students may have social media accounts (e.g., Instagram, TikTok). Social media has many benefits including helping us to stay connected. Unfortunately, it also can be used in ways that spread hurt, misinformation, and dangerous trends. While we have engaged in lessons about online safety, we suggest that families support this learning and have ongoing discussions about social media presence and how to act online. To help support these discussions we encourage families to look at [Media Smarts Social Media Tip Sheet](#) and [Office of the Privacy Commissioner of Canada 12 Quick Privacy Tips for Parents](#).

The month of October commemorates the impact that Two Spirit, lesbian, gay, bisexual transgender, queer, questioning, and individuals with related identities have had in our local communities, nationally and internationally. It is an opportunity to build awareness of the contributions the 2SLGBTQ+ community has made in Canada and abroad. At Randall P.S. We believe that Equity & Inclusive Education is the foundation for excellence. All students must be treated with respect and dignity, and have access to a school where they are safe, welcome, accepted, and included. We want to develop resilient students who are engaged in their learning, who feel a sense of belonging, and who feel supported to reach their highest potential. We are committed to ensuring equitable and inclusive learning environments that uphold and reflect the Seven Guiding Principles of Ontario's Equity & Inclusive Education Strategy
