Volunteer Appreciation Tea

Thank you to all of our Volunteers. Our staff was pleased to host all of our volunteers on June 21st. Redstone is a great place for students because of the support we get from all of our volunteers.

BUS WEBSITE INFORMATION

Each summer, Student Transportation Services of York Region (STSYR) makes adjustments to bus route schedules to accommodate new students and new school openings. As a result, some students may experience changes in their bus schedule or route number. Please confirm your child's bus stop service for September by checking: www.schoolbuscity.com as of **August 20th**. If you are unable to find the information you require, please contact Mazo after August 28th.

TO NOTE: The York Region District School Board states that students may be required to walk up to 400m to bus stops and should be at the stop at least 10 minutes before the scheduled pick-up during the first two weeks of school. After that, students are asked to arrive 5 minutes early as each bus route develops its routine.
