

Regency Acres P.S..

FROM THE DESK OF  
MS . LEONI

RAPS

Dear Regency Families,

I would like to take this opportunity to tell you how delighted I am to have been appointed as Principal of Regency Acres P.S. I know that Mrs. Martino-Porretta will be greatly missed as she has served the school community for many years.

For the past sixteen years, I have worked with children, parents, teachers, and educational leaders in a variety of capacities and I am committed to fostering a supportive educational environment for your children. Our focus in YRDSB continues to be on student achievement and well-being. It is clear that Regency Acres P.S. has a dedicated staff with a strong commitment to your children. As educators, we are committed to working as partners with you and your children to create an inclusive and equitable learning culture where everyone feels safe, welcome and respected.

Over the next few weeks, I will be visiting and talking to a number of staff, students and School Council members to gather information and learn more about the school community. As a collaborative team leader, I strongly believe in and value the community school concept, where the school is an integral part of the community and serves students and their families by providing opportunities for life-long learning.
