New LOD Sharing: Starting with Rosalyn, on February 26th, the children are asked to bring in something that they have made. It could be a craft, scrapbook, painting, sculpture etc.. They should be able to name the materials they used and explain how it was made. Try using the words first, second, next, then when explaining the steps involved in making the craft. We look forward to seeing their wonderful creations! All other LOD's are still sharing a winter activity, along with their completed 5W sharing sheet.
