29 Word Family: ig	30 Day 5 LOD-Neve Jump Rope for Heart	31 Day 1 LOD-Timofey Computer				

LOD Sharing- A few days before their LOD sharing day, the children will be given a small plastic egg. They need to find something that will fit inside the egg. The children need to think of 3 clues about their "egg surprise" to tell the class. They need to write each clue in a simple sentence on the form provided. For example, if the surprise were a marble, the clues could be the following: *It is a sphere. It can roll. It is made of glass.* Have fun and remember, the surprise must fit inside the egg!
