CON

Your  
PATHWAYS  
to Opportunity

# How does it work?

**YOU** take a bundle of 8 to 10 courses in grades 11 and 12 including 4 "major" credits in construction and/or technological design.

**YOUR** English, mathematics, science and/or business courses are specially designed to complement your construction major.

**YOU** take at least 2 Co-op courses and get valuable workplace experience related to construction.

**YOU** develop the essential skills and work habits that employers are looking for.
