Information Items

Paid Opportunity for a Mandarin Speaking Parent:

The YRDSB Community and International Education Services Department needs a Mandarin speaking assistant for the RHHS Saturday morning site. This parent would be working for 3 hours on Saturday mornings helping a Senior Kindergarten class. The pay is \$11.97 an hour for 3 hours a week for a total of approximately 30 weeks.

For more information, please contact Ivy Chan, Principal at the Dr. Bette Stephenson Centre for Learning, 905.884.2046 ext.258.

Bike Security:

Please be reminded that if your son or daughter is riding a bicycle to school, it should be locked to one of the bike racks provided by the school.

Eco Theme For November:

Students are encouraged to *Rethink* their actions before disposing of an item. That is, stop and consider the impact every disposal action will have on the environment and the world around us. It is important to be well-informed about what goes in the Blue Box for recycling and what goes in the garbage bin for landfill. Putting items in the Blue Box that shouldn't be there can ruin an entire batch of recyclable material. The Board follows York Region's Blue Box and Green Bin (where applicable) programs.

EpiPens

Students who require an EpiPen are encouraged to provide one to the Main Office each school year as well as having one in their backpack at all times. An anaphylactic reactions protocol form should be completed and sent to the Main Office. Forms are available in the Main Office.

Services Guide Book

Please see: http://www.wpboard.ca/docs/strive_2014.html for a Guide of Services for Youth in York Region and South Simcoe.

"Knowledge is love and light and vision."
