News from the Learning Commons

The Grade 1-3 students from Ms. Teplin's, Ms. Preskow's, Ms. Reynolds's, Ms. Masters's, Ms. Thomas's, and Ms. Thind's classes have been participating in **The Forest of Reading's Blue Spruce Award** program. This initiative, from the Ontario Library Association (OLA) brings recently published Canadian children's picture books to children. The program promotes reading for enjoyment and begins to develop a child's skill in evaluating a picture book based on story, text and pictures.

Over the course of the past 10 weeks, the students have come to the Learning Commons to hear each book read aloud and participate in a follow up activity related to the story. Last week we voted for our favourite book and I'm pleased to share our school's results with you!

-  &  *Where Oliver Fits* by: Cale Atkinson and *Tricky* by: Keri Rust
-  *Barnaby Never Forgets* by: Pierre Collet-Derby
-  *Sun Dog* by: Deborah Kerbel

Thank you to all the students who participated in the program! The winner will be awarded in May.

The Scholastic Book Fair is coming!!!! May 13-17th

Stay tuned for more details...

Thank you and Happy Reading, Mrs. Granger (Teacher-Librarian)

Lost and Found

We have laid out all of the items in our Lost and Found on a table in the main hallway. Please have a look for any items your child might have lost before April 26th. Thank you!

Cell Phone Policy

A real focus for us as at Richmond Rose P.S. is to ensure a safe climate for learning so that students are fully prepared for lessons and any distractions are eliminated. To support this, we have made the decision to ban the use of mobile phones within the school because of the negative effect on student learning and well-being. If students decide to bring phones to school, they are to be kept in their locker for the ENTIRE day. At no time will mobile phones be permitted to be used during school hours.

The progressive approach of consequences will be implemented at Richmond Rose P.S. as follows:

A warning will be given to the student and they will also be asked to place the cell phone in their locker for the remainder of the day.

1. A warning will be given to the student and they will also be asked to place the cell phone in their locker for the remainder of the day. Further, a call will be made home to inform the parents/guardians.
2. The student will be asked to take their phone to the office. The phone will be placed, by the student, in a designated safe place. The student can then pick up their phone at the end of the day.
3. The student will be asked to take their phone to the office. The phone will be placed, by the student, in a designated safe place. At this point a phone call will be made home with the requirement for a parent / guardian to collect the phone on their child's behalf.

The restriction is in place at all times while students are on school grounds. This includes school entry, recess and lunch. Phones should not be accessed by students until they have left school. All student-parent communication should be directed through the school office.

Infractions will be dealt with as student discipline, under the Safe and Supportive Schools Policy and Procedures. Failure to comply with any of the aforementioned rules may result in student suspension.

Parents in the Building

It has come to our attention that some parents/caregivers are waiting inside the building at dismissal time. At no time are any visitors, this includes parents and caregivers, to be in the building without signing in at the main office. **All parents and caregivers are asked to wait outside for students to be dismissed.** Thank you for your cooperation and for helping us keep your children safe.

Crossing Guard

We are lucky to have a wonderful crossing guard, Mario, who helps keep us safe crossing the road! We would like to remind all parents and caregivers that Mario is there to ensure the safety of everyone crossing. Please respect the role he has and wait for him to tell you when it is safe to cross the road

Walking to School

We are happy to see so many students walking to school! We would like to ask that all parents/caregivers and students use the sidewalks to come onto school property. It is very unsafe to walk through the parking lot, so please refrain from doing so. Thank you for your cooperation in this matter.

Parking Lot Safety

PLEASE DO NOT PARK IN THE STAFF PARKING LOT AND DO NOT BLOCK STAFF CARS AT ANY POINT IN THE DAY. PLEASE RESPECT THE SAFETY OF ALL OF OUR STUDENTS, PARENTS AND STAFF.

The safety of our students is our top priority and we need your cooperation to ensure that we are able to keep your children safe. **Parents are to use the kiss-and-ride to drop off children and not park in staff parking spots** and have children run across the parking lot. We have witnessed many unsafe actions in the parking lot and these are becoming even more concerning with the winter weather upon us. Cars can't stop as fast and visibility is reduced during the winter months.

In addition, for those that choose to park on the street and have your children j-walk across the road, we recommend that you walk over to the crosswalk and cross with the crossing guard. This will ensure a safe crossing for all of our students. A reminder that u-turns are not permitted on Frank Endean Drive as this creates an even greater risk of an accident.

We appreciate your attention and cooperation in this matter.
