### Donations

We would like to thank the parents/guardians who have made donations to our donation drive. We truly appreciate the donations! The money will be used towards enhancing our music program and building our Makerspace (robotics and lego).

### Pizza, Milk and Yogurt Orders Are Now Online

Term 2 pizza, milk and yogurt orders are now active on School Cash Online.

### High School Registration

High School Registration forms have all been sent to students' respective zoned schools. If any parent wishes for their child to transfer they must complete and submit a transfer request form to their home high school by February 1st, 2019.

### Movie Night

Movie Night at Richmond Rose was a great success! It was wonderful to see all of the families come out to join in some community fun! A big thank you to the School Council for organizing this fun event!

### Parking Lot Safety

The safety of our students is our top priority and we need your cooperation to ensure that we are able to keep your children safe. **Parents are to use the kiss-and-ride to drop off children and not park in staff parking spots** and have children run across the parking lot. We have witnessed many unsafe actions in the parking lot and these are becoming even more concerning with the winter weather upon us. Cars can't stop as fast and visibility is reduced during the winter months.

In addition, for those that choose to park on the street and have your children j-walk across the road, we recommend that you walk over to the crosswalk and cross with the crossing guard. This will ensure a safe crossing for all of our students. A reminder that u-turns are not permitted on Frank Endean Drive as this creates an even greater risk of an accident.

We appreciate your attention and cooperation in this matter.

### School Bus Cancellations

If the condition of the roads necessitates the cancelation of bus service, local radio stations will be informed as early as possible and will broadcast this information to the community. Please be advised that if buses are cancelled in the morning they will not run after school—regardless of the weather. Review your plans as to what your children will do in the event of late buses or cancellations. Cancellations will be announced on YRDSB websites and [www.schoolbuscity.com](http://www.schoolbuscity.com) <http://www.yrdsb.ca> The following radio stations announce cancellations:

AM 640 AM 680 FM 88.5 FM 90.3 AM 1010 AM 1540 FM 92.5 FM 93.1 AM 1050 FM 99.9 FM 97.3 FM 98.1 AM 1530 FM 100.7 FM 104.5 FM 107.1 AM 590

### Be Prepared For The Cold Weather and Darker Evenings

As we enter the winter months, **please ensure that your child is dressed warmly for recess** and their commute to school. This means wearing the proper jacket, hats, mitts/gloves and boots for the coming cold months. Students will be going outside during the winter months and playing in the snow and cold weather. Students need to be dressed appropriately to stay safe.

With the change of daylight savings, this means longer, darker days. Give extra care to and instruct your children to be aware of walking, riding bikes or playing when dusk settles (e.g. being more aware of their surroundings, wearing bright clothing etc.).

## Weather Watch

All students from Junior Kindergarten to Grade 8 are expected to go out for every recess unless the principal or vice-principal decides that weather conditions are so poor that it would be detrimental for them to be outdoors. Students are to come to school ready for winter and prepared to be outdoors up to 40 minutes after lunch. **We always monitor the weather and, in extreme conditions e.g. wind chill; we keep the students indoors or shorten the recess breaks.**

We often receive requests from parents asking us to keep their children indoors during recess times because they are not feeling well. Unfortunately, we do not have the staff or facilities to supervise students who are sick or still recovering from an illness. Students with heavy colds, etc., which are serious enough to prevent them from participating in physical education, recesses or other outdoor activities, should remain at home until their condition improves. This will likely benefit the students concerned and prevent the spread of this illness to others.

Please make sure that your children are dressed properly for our invigorating winter days. It is advisable for students to bring extra pants and socks. A change is often necessary due to the wet and cold weather of the winter months. To avoid adding to our clothing collection in the Lost and Found, please be sure to label all articles of clothing. Boots, hats, mitts/gloves, scarves, and snow pants for the younger children will help make recess an enjoyable time.
