Food Drive

Thank you for the donations for our food drive and our hat/mitten tree! We are so touched by the giving nature of our community. We are continuing to accept donations of non-perishable food-products and of new mittens and hats to be donated to our local food bank. Please donate if you are able!

Chai and Chat

All parents/caregivers are invited to our Chai and Chat on Successful Strategies for Raising Successful Children. It is being held on Thursday, December 6th at 9:00 am in the Library. This is an opportunity to meet your school administrators, have a cup of tea or coffee and discuss important issues impacting your children.

Parking Lot Safety

The safety of our students is our top priority and we need your cooperation to ensure that we are able to keep your children safe. **Parents are to use the kiss-and-ride to drop off children and not park in staff parking spots** and have children run across the parking lot. We have witnessed many unsafe actions in the parking lot and these are becoming even more concerning with the winter weather upon us. Cars can't stop as fast and visibility is reduced during the winter months.

In addition, for those that choose to park on the street and have your children j-walk across the road, we recommend that you walk over to the crosswalk and cross with the crossing guard. This will ensure a safe crossing for all of our students. A reminder that u-turns are not permitted on Frank Endean Drive as this creates an even greater risk of an accident.

We appreciate your attention and cooperation in this matter.

Flu Season

Flu Season is here and York Region Public Health wants to ensure that everyone is aware of the benefits of the flu shot. Please visit york.ca/flu for more information.

School Assistants

We are accepting applications for the position of School Assistant, which is a paid position. Our school assistants help to supervise students inside the classrooms while students eat and they go outside with the students during outdoor play. A safety vest will be provided to wear at all times when on the school property. If accepted to this position, the successful candidate(s) would need to bring in a completed York Region Police Check. If interested in this position, please forward a letter of interest with your contact information to richmond.rose.ps@yrdsb.ca

Be Prepared For The Cold Weather and Darker Evenings

As we enter the winter months, **please ensure that your child is dressed warmly for recess** and their commute to school. This means wearing the proper jacket, hats, mitts/gloves and boots for the coming cold months. Students will be going outside during the winter months and playing in the snow and cold weather. Students need to be dressed appropriately to stay safe.

With the change of daylight savings, this means longer, darker days. Give extra care to and instruct your children to be aware of walking, riding bikes or playing when dusk settles (e.g. being more aware of their surroundings, wearing bright clothing etc.).
