

***Message From Our Trustee***

As we near the end of the school year, this is a good time to celebrate all your child has learned and achieved. I hope that you have seen evidence of their growth and learning throughout the year.

Supporting the well-being and achievement of our students is a partnership with families and communities, and I want to thank you for all that you do to help strengthen our schools and support your child's learning. We know that when you ask your child about their learning, help them make connections or participate in school events, our students and our schools benefit.

I look forward to continuing to build relationships with families over the summer months and in the 2019-2020 school year. As we go into the summer, there are many opportunities to continue supporting your child's learning - whether helping to plan a family trip, visiting a local museum, reading a book or participating in one of the many exciting [summer learning programs](#) offered through the Board. I hope that whatever you have planned, you have a safe and enjoyable summer.

I would also like to offer a special congratulations to the graduating class of 2019. We wish you all the very best as you move on to this next phase of your life. We look forward to welcoming back all of our new and returning families in the fall.
