Gift of Reading - RHPS Holiday Gift Book Donation Program

Dear Rick Hansen Public School Families and Friends,

Please help the Rick Hansen Public School Learning Commons continue to grow by participating in our holiday gift book donation program. It is a wonderful opportunity to purchase a book in honour of your child's teacher as well as enrich the variety of books available for the entire school community. Your donation will go towards purchasing a new book which will help meet the needs of a particular curriculum area or topic of interest. A bookplate recognizing the gift will be placed in the book. The bookplate will include the teacher's name and your child's name. The book and a card signed by your child will be presented by your child to their teacher on the last day of school before the winter break.

If you are interested in participating in the gift book donation program this holiday season, please complete and return to the school the form below with a cheque for \$25 payable to Rick Hansen Public School by **Friday, Decemeber 15th.**

Thank you so much, in advance for your support for the Gift of Reading program.

With kind regards,

Aimee Ford
