Don't
Miss
Out!

Creating a **FREE RANGE** **COMMUNITY** for Children

Parents, you will not want to miss this **FREE** event, sponsored by Activate Aurora and supported by our local school boards, as strategies to create a **safe and active community** for our children are explored. Join parents from other schools, and don't delay in RSVP'ing as **seating is limited**. Free, professionally-led children's activities will be available for those parents who need active child-care during the evening.

Exciting Lineup of Speakers:

Brandy Tanenbaum: Centre for Injury Prevention, Sunnybrook Hospital.

Dr. Richard Gould: Associate Medical Officer of Health, York Region

Drew Mitchell: Director of Physical Literacy, Sport for Life

Ron Weese: Chair, Activate Aurora

PC Richard McHardy: Community Engagement and Well Being Unit,
York Regional Police

Parents are invited to participate in our Interactive Discussion Panel. We look forward to your feedback!
