

Welcome to June!

As the end of this school year approaches, the R.L. Graham School Council members wish to thank each and every one of you for your continued support and involvement in our initiatives and fundraisers this year. It is your involvement and support that has made R.L. Graham Public School the wonderful school that it is today. We greatly appreciate your involvement in our efforts to continue making a difference in the lives of our students. Have a great summer!

★ LOOKING FORWARD ★

Studies have shown that parental involvement in schools makes real a difference. Student achievement improves when parents play an active role in their children's education. One such way to get involved is to join School Council. Council usually meets on the second Thursday of every month. Our meetings are about an hour and a half beginning at 6:30 pm. These meetings provide an opportunity for parents to stay connected and informed about school activities, to exchange ideas, and to discuss issues.

We understand that you all have busy lives outside the school community. Please know that you are not required to participate in every meeting, nor do we ask you to participate in every event. We just ask for a little of your time and your voice, of course! Please consider joining us and have your opinion heard. We look forward to meeting you! See you in September!

Each and every council meeting is open to all parent and community members that wish to attend. Council meetings start at 6:30 pm in the staff room. Our final meeting is June 15, 2017.

Please check the school newsletter, school website or RLG Parents Facebook Page for school updates.
