Message From Administration

Hello Rouge Park Families,

We had a great movie night on Wednesday with over 250 people joining us in the gym to watch Penguins. The evening started with an Earth Day quiz and one lucky guest won a pot of flowers donated by Valleyview Garden Centre. We love inviting our community into our school to enjoy various opportunities. Our next evening event will be June 7th when we will showcase student talent at our spring concert.

All of our grade 2, 4 and 7 classes had the opportunity to visit Milne Conservation Area on school trips this past week. Although the weather hasn't been great, they seemed to enjoy learning outdoors in an environment other than the classroom.

May and June will be very busy months with so many opportunities to join clubs and teams. Please encourage your child to listen carefully to announcements each day so that they don't miss out on fun activities.

As always, please reach out if we can answer any questions or support you in any way.

Donations to Rouge Park

This year many of our students have benefited from the generous donations of others in our community. We have had families donate to pizza day, the snack program, school clothing, our grad trip and more. Oftentimes these donations are life-changing for our students as they allow them to fully participate in everything we have to offer. Thank you to everyone who has so generously donated to our school. If you are able, we are currently asking for donations to support all of the above initiatives along with the purchase of picnic tables to be installed on our back tarmac. These picnic tables will be used for outdoor learning while also providing a space for students to sit and chat, play cards, or read during recess times. Donations can be made by clicking on the Donate button on School Cash Online or by sending a cheque made out to Rouge Park Public School.

Class Placement for the 2023-2024 School Year

As we organize for next year, our staff will make every effort to place students in the best learning environment for each child to be successful. We take into account Ministry and Board guidelines, individual needs, academic achievement, emotional and social development, behaviours, gender balance, English Language Learners and Special Education needs, and work habits. We appreciate that parents/guardians have valuable information to share with us in this regard. If you have information or suggestions, which will assist us in making appropriate placement, please write a brief note to Lindsey Maclean by Friday, May 12th, 2023: lindsey.maclean@yrdsb.ca . Rather than suggesting a teacher, please indicate the learning style or classroom structure which you feel would be the most appropriate for your child's success. When teachers along with school administration get together to create new class lists, we will use this information to help make our final decisions.

Walking and Wheeling to School

We strongly encourage all of our students who are not on the bus to walk or wheel to school. Walking or wheeling to school allows you to get exercise and fresh air before starting the school day. We even have bike racks for your use!

Important Reminders Re: Drop off and Pick up:

Please remember to drive slowly in and around the school area when dropping off and picking up your children. Our kiss'n ride is a slow zone and cars should be travelling in a single line without passing or overtaking others. We are reminding all kindergarten families to either use the kiss'n ride or park on the street and walk your child to their gate. The loop at the front of the school is for our school buses and vans only. Kindergarten parents should also be dropping their children at the gate, not the classroom door. Thank you for working with us to ensure a safe school environment and one in which we build independence in our students.

We are also reminding all families that the parking lot at the back side of the school is reserved for daycare only. Please do not pull into this parking lot to drop your child off.

EQAO Dates for Grade 3 and 6 Students

We have now set our Grade 3 and 6 EQAO dates for this year. Grade 6 students will write this standardized test on May 30, June 1 and June 2. Grade 3 students will write on June 6,7, and 8th. Please speak with your child's teacher if you have questions about EQAO or visit the EQAO website at <u>www.eqao.com</u>
