## Message From Administration

Many of our families have now made the switch back to face to face learning. It is fantastic to see smiling faces back at school. Please remember that if you want your child(ren) to return to the physical building, you just need to call our office or send an email to [rouge.park.ps@yrdsb.ca](mailto:rouge.park.ps@yrdsb.ca).

Next week is Remembrance Day. Since we are unable to come together as a school for an assembly, classes will be learning about this significant day within their classrooms.

If there is anything you need our assistance with, please call us at the school. We are here to help!

Wishing all of our families a wonderful weekend.

## Parent/Teacher Interviews

A letter was sent yesterday to explain the process for booking an interview with your child's teacher. Edsby will be open for parents to book a time beginning at 7:30 a.m. on Monday, November 8th.

## Fundraising:

Our chocolate bar fundraiser is underway. So far we have raised approximately \$450 to put towards our school goals of technology, the breakfast program and kindergarten revitalization. If you buy a carton of chocolate bars for \$90, the school is automatically sent \$45 and you keep the \$90 you make from selling the bars at 2 for \$5. You can order your carton at <https://www.worldsfinest.ca/campaign-fundraiser/campaign/?cid=159>. Detailed information can be found on the flyer at the bottom of this newsletter.

If you would rather not sell chocolate bars, but would like to donate to our school, please visit school cash online and click on the donate button.

## Islamic Heritage Month

Ms. Ahmed and Ms. Ibrahim's classes worked hard to create a beautiful display for Islamic Heritage Month. Our students enjoyed viewing and learning from the display.

## Diwali

It was wonderful to see students teaching their classmates about Diwali this week. We hope that all those who celebrated Diwali enjoyed time with family and friends.

## **Athletics in YRDSB - new information for our intermediate students**

We are pleased to announce that, after consultation with York Region Public Health and with increased health and safety requirements, indoor sports may now resume for students who are fully vaccinated. At our school, this means that volleyball, basketball, badminton etc. may resume.

For any indoor high-contact sports offered as an extra-curricular activity, all participating students must provide proof of full vaccination. York Region District School Board is developing a secure portal where students will be able to attest their vaccination status for the purposes of indoor high-contact extra-curricular activities. More information on this process will be shared as it becomes available. Please note that vaccine attestation will only be required for students participating in high-contact indoor extra-curricular sports.

We know the importance of extra-curricular activities and the positive effect they can have on students. We appreciate everyone's patience and cooperation as we look to resume these activities in a manner that is safe for all participants.

# ROUGE PARK PS NEEDS YOUR HELP

YOUR HELP WILL MAKE ALL THE DIFFERENCE  
FOR ROUGE PARK PS

We're asking our Rouge Park PS community to come together to help to raise **\$4,000**. We've made it easier than ever for you to enjoy contributing to a rewarding campaign experience and result! Here's how:

You're going to click GET STARTED below - to provide a little information, to select which item(s) and how many you wish to sell, and to purchase them (secure payment through PAYPAL). We will ship your order directly to you, and your household will then sell the items you've ordered and keep proceeds to recover your cost. World's Finest® will then provide the profit from your sales (the price you paid us LESS our product & shipping costs) directly to Rouge Park PS. Please click GET STARTED to begin:
