## Message From Administration

Hello Rouge Park Families,

We endured a very cold start to the week which forced indoor recesses and a great deal of excess energy in the building! Our students did a fantastic job of staying positive and kind even though they could not get outside.

We were very fortunate to have Danny from Cricket Canada run cricket workshops for all students in grades 1-8 all week. Everyone seemed to really enjoy learning about the game and participating in drills and practice games. Danny is hoping to run a mini-tournament with Cornell Village and Black Walnut later in the year. Please enjoy some pictures below.

Today we also had an author visit for students in kindergarten to grade 3. Sennah Yee read two of her picture books to students followed by a question and answer period. This visit was organized by our South Asian Student Association with the help of our librarian, Ms. Russell.

Planning for the **2025-2026** school year is now under way. Kindergarten registration has opened up. If you have a child or if you have a neighbour who is born in 2021, they are eligible to begin kindergarten in September. Please access the online Kindergarten Registration information at [www.yrdsb.ca/kindergarten](http://www.yrdsb.ca/kindergarten).

As always, please reach out if we can help with anything at all!

## Cold and Flu Season:

Winter is here and with it comes the cold and flu season. We are noticing an increasing number of students who are absent due to illness, or exhibiting symptoms while at school. Please read the

important information below from York Region Public Health to help you know when to send your child back to school following a fever and/or nausea/vomiting/diarrhea. This helps all of our students, staff and families stay healthy!

The following information can be found on the Public Health website

(<https://www.ontario.ca/page/protection-covid-19-and-other-respiratory-illnesses>):

- If you are sick, stay home to prevent transmission to others, except to seek testing or medical care if required.
- You should stay home until **all** of the following apply to you:
  - your **symptoms have been improving** for **at least 24 hours** (or **48 hours if you had nausea, vomiting and/or diarrhea**, i.e. from the last time that you had any symptoms)
  - you **do not have a fever**
  - you **do not develop any additional symptoms**

## Winter Walk Day:

**Winter Walk Day** is celebrated by schools across Canada on the first Wednesday of February each year. This year, Winter Walk Day officially kicks off on Wednesday February 5th, 2025.

Walking to school in winter not only benefits student physical and mental health, well-being and academic performance, it's also fun!

Here are a few tips to help you stay safe and enjoy winter walks to school.

1. Dress for the weather. Wear layers. Don't forget your hat and mitts.
2. Protect your feet. Wear warm socks and winter boots. They will protect your feet from snow, rain and cold and have good grips.
3. Be visible. Wear bright clothes, stay on the sidewalks and make sure cars can see you when you cross the road.
4. Allow a little more time. Prepare your winter gear the night before and give yourself a little more time to walk to school.
5. Try walking like a penguin. It's fun and practical.
6. Enjoy the snow. Catch snowflakes, talk about what you love most about the winter.
7. Obey road signs. The seasons change but road safety rules remain. Stop at roads and crosswalks. Cross with a crossing guard where possible. Look out for cars.

## Firefighter Visits:

We are excited to announce that in February and March, our grade 1-3 students will have the opportunity to attend a special Firefighter Presentation run by the Markham Fire Department. This engaging and educational event will help teach our students about fire safety, the important work firefighters do, and how they can stay safe in case of an emergency.

This relates to our Health curriculum expectation D2. Making Healthy Choices: demonstrate the ability to apply health knowledge and social-emotional learning skills to make reasoned decisions and take appropriate actions relating to their personal health and well-being.

We are looking forward to this educational experience!

## **School Cash Online:**

We have many new families who have joined our school. If you are new to YRDSB, please follow the instructions on the flyer below or found here: <https://yrdsb.schoolcashonline.com/> to set up an account on School Cash Online. We use this site for most things that involve payments (e.g. school clothing, pizza and pasta days, trips etc.). You will need your child's student number to register. This number can be found on the report card or you can contact your child's teacher or the office.

## **School Assistants Needed:**

We are looking for School Assistants to help supervise during lunch hours. These are paid positions. We welcome parents and community members to apply and join the Rouge Park team. If you are interested in this role, please contact our school office and speak to Ms. Ashraf or Ms. Draper. (905) 350-0005.

## **Breakfast Club:**

We continue to offer a breakfast club every Tuesday and Thursday morning from 7:30-7:55 in the multi-purpose room. Ms. Ajani comes in early to prepare both hot and cold options for students to enjoy and consistently serves over 50 students a day. If you are able to help support this program, please send a donation with your child or contact us at the school.

## **Bus or School Cancellations:**

When an extreme cold or inclement weather day is declared, school transportation (including buses and taxis) is cancelled in the morning and afternoon. Schools will remain open. Please notify the school if your child will not be attending school on those days. Students will not be penalized for missing school on these days.

There may be rare instances when emergency weather events occur and we need to close all schools and Board locations. Please take the time to make plans in the event of an emergency school closure. Information about transportation cancellations and Board closures will be shared through local media, Board and school websites and on X @YRDSB.

Our process for extreme cold, inclement weather and emergency weather days is outlined in the Board's Severe Weather policy.

## **Lunch Drop Off at RPPS:**

If possible, please send your child to school with their lunch in the morning. If you have to drop it off at lunch time, please label the bag and leave it in the cart just inside the front doors. For student safety, we are asking parents to drop and go. We also want to remind parents that no filming or picture taking is allowed on school property due to privacy reasons. Thank you for helping us keep a safe learning environment for everyone.

## Prayer Spaces:

We have multiple spaces in the school available for students and staff who wish to pray during the day. Please let your child's teacher know if they need help finding and accessing a prayer room.

## Allergies:

We have a number of students and staff in our school who have life-threatening food allergies. If some of these students or staff smell or come into contact with certain foods, they may go into "anaphylactic shock" - a potentially life-threatening condition. Medication must be administered by injection within minutes to those individuals in order to keep them safe. **To ensure the health and safety of all of our students, please ensure you do not send any nut products or replacement nut products (e.g. pea butter) to school.** If you have been informed of other life-threatening allergies in your child's class (e.g. shellfish), please make sure you do not send these foods to school with your child. We ask that all parents help to keep our school community safe. For more information please read our [Anaphylactic Reactions policy and procedure](#).
