News from the Office

As summer is upon us, it is important to reflect on the unprecedented events that have been thrust upon us these last few months. As we are globally experiencing a widespread pandemic, we continue to be grateful for all the frontline workers who have been valiantly supporting our community members that have been affected by this terrible virus. Our thoughts are with those who have lost loved ones.

Although the school opening for the fall is still uncertain, we will look to our Public Health officials and the Ministry to provide guidance as we reconnect with our students and their families in September. Thank you to all our families for the incredible patience, flexibility and support they have given our school in helping to launch YRDSB's first ever on-line learning platform. We understand how challenging this transition has been as each of our families and staff likewise dealt with new realities within their homes. We are so appreciative of your understanding.

I would like to take this opportunity to thank our School Council, under the leadership of our co-chairs Tina Bravos and Grace Ng, for their unwavering commitment over the school year. We are also so thankful to families who have volunteered their time to help support students through our various initiatives. Roy H. Crosby is so fortunate to have the support of the families who make Crosby a special place that we are so lucky to be a part of!

June is also a time for farewells, and we would like to extend best wishes and immense appreciation for the following outstanding staff members who will be moving on in the fall: *Ms. Nikolovski, Ms. Grigorakis and Ms. Papadatos*. On behalf of the staff at Roy H. Crosby Public School, we wish all our families a safe and relaxing summer.

Sincerely,
Mrs. Di Stefano
