Principal's Report

- Scholastic Book Fair Results - net sales this year totaled over \$4445 and we were able to enjoy a school profit of just over \$2450. This money will be used by the school to purchase books from Scholastic.
- Electronic Copies of Progress Reports sent out by the board November 23 - hoping that all the glitches will be worked out before the next set of progress reports are delivered to families.
- Grade 3 Gifted Screening -> week of November 29th - results from Stage 1 testing will be available in January 2023 and any Stage 2 testing will take place after that. Markville District High School will no longer have the Grade 9 and 10 Gifted program. For the 2023-2024 school year it will be offered at Markham District High School.
- November Initiative and Assembly - assembly was well enjoyed and well done.
- Individual Student Results for EQAO sent home to families - all data from this test will be evaluated in the New Year.
- Winter Concert on December 8th - two tickets per family were sent home to ensure compliance with fire regulations.
