Character Matters!

December's Character Trait is: *Compassion/Empathy*

We strive to sense and appreciate the emotions of others, to "stand in their shoes." We demonstrate appreciation of and concern for their feelings. We try to understand issues from their perspectives even though we may not agree with them personally.

Kindergarten Registration Begins January 15, 2016

Kindergarten registration will commence on January 15, 2016 for the 2016-17 school year. Registration forms are available on YRDSB's website: www.yrdsb.ca. Children who turn four or five years old during 2016, live within the school boundary and whose parents are public school tax supporters will be eligible to register for kindergarten. A kindergarten information session for parents is being planned for this spring. For more information please visit the YRDSB website or contact Sharon Public School.

French Immersion Registration Begins January 15, 2016

Information sessions for the French Immersion (FI) program will take place at French Immersion schools on January 14, 2016 at 7 p.m. Please visit YRDSB's website in January 2016 (<http://www.yrdsb.ca/Programs/fi/Pages/Program-Locations.aspx>) to find the FI program location for your elementary school location. FI registration will begin January 15, 2016. Parents or guardians of Senior Kindergarten students entering Grade 1 in 2016, and wishing to enrol in the FI Program, can visit or call the school office and request an *Office Index Card - short version*. The Office Index Card must be signed by the principal of the home school. Parents or guardians then take this form, along with one piece of identification showing their address to the designated FI program location to register between January 15 and February 12, 2016. This eliminates the need to provide duplicate enrollment information or to pre-register.

School Bus Cancellation Notice

To ensure the safety of students, school bus service may be cancelled due to inclement weather, extreme temperatures and/or poor road conditions. In these cases, parents and students should develop alternate care/transportation arrangements.

Since some busing schedules begin by 7:00 a.m., cancellation decisions must be made by 6:00 a.m. to allow time to communicate this message to bus drivers. Cancellation decisions will only be made after thorough consultation with the Safety Officers of school bus companies servicing York Region and are based on several factors including precipitation, air temperature, road conditions and weather forecast.

Please note the following;

- A decision to cancel school bus service will be **region-wide** meaning all school buses, vans and taxis will not operate.
- When bus service is cancelled all school tests and/or examinations will be cancelled and rescheduled.
- Student trips involving the use of school buses will also be cancelled.
- **School bus routes may be cancelled when severe weather may not be affecting all municipalities in York Region.** Both the YRDSB and YCDSB operate many regional educational programs. Students attending these programs are transported over large attendance areas encompassing several municipal boundaries. This limits the ability to cancel bus service using a municipality or zone methodology.
- Unless otherwise stated, schools will remain open and parents can make arrangements to transport their children to and from school even if school bus service is cancelled. **If buses are cancelled in the morning, they will not operate in the afternoon. Therefore, students transported to school by parents will require the same transportation home.**

Parents, students and school staff are asked to access the following radio and television stations after 6:00 a.m. to receive bus cancellation information:
