# **STUDENT PLACEMENT FOR SEPTEMBER 2018**

A primary goal at SPS is to develop balanced classes where possible. A balanced class reflects the diversity of the community and allows the variety of interests and talents of our learners to emerge and develop. The classroom provides a variety of opportunities for a range of learners to succeed through appropriate challenges. In the right environment, students develop a sense of belonging and the feeling that they can make a noticeable contribution, in a variety of ways. The family, the school and the community all provide opportunities for children to socialize and develop the social and communication skills necessary for success. Each new year brings wonderful opportunities to meet new friends and expand our circle of acquaintances. School becomes more comfortable and familiar and accordingly, the potential of our students has a greater possibility of realization.

*These are the criteria we use to guide our placements:*

## **Balanced Ability, Interests and Talents**

All children are unique and different. The teacher's ability to provide meaningful learning is enhanced when classes are created to accommodate instructional groupings.

## **Balanced According to Gender**

We attempt to balance the number of boys and girls in each class to ensure many friendship opportunities.

## **Learning Style**

We consider how each learner goes about the process of learning and what kind of environment will best allow that style to be utilized.

## **Teaching Style**

We consider how a teacher goes about the teaching/learning process and what type of learners might best flourish with each teacher.

## **Social Blending**

This should not be viewed as grouping friends together, but as grouping students in a way that promotes effective and efficient learning. At particular stages, some close friends learn best in separate classes.

## **Parent Input**

**We welcome any information that parents can provide us concerning class placements, but we do not accept requests for specific teachers. Any information that you feel would be important to us to consider must be submitted in writing by May 25th.**

Thank you for your understanding and cooperation.

# APPROPRIATE DRESS POLICY

Our school Code of Behaviour makes reference to appropriate dress at school. At this time of year, students are reminded that short shorts, spaghetti straps, mesh tops, muscle shirts and bare midriffs are not considered appropriate for school. Again, in an effort to keep the classroom floors clean, we ask that children have indoor and outdoor shoes at school. An extra set of clothing (pants, socks) would also be advisable for younger children who may get wet or muddy during outdoor play.

## E.Q.A.O. Assessment

EQAO will be taking place this year from May 22nd to May 31st, 2018.

Children in grades 3 and 6 will be participating in the Education Quality and Accountability Office's (EQAO) Assessment of Reading, Writing and Mathematics. In one-hour sessions, students will complete a variety of assessment activities designed to allow them to demonstrate their skills and knowledge relating to reading, writing and mathematics as described in The Ontario Curriculum Expectations. This assessment provides us with valuable information about the progress of our students. It is important that all students are in attendance on these days. If you are booking medical/dental appointments for your child, please avoid these two weeks. We thank you for your support.

# **Student Drop-Off and Pick-Up & Student Safety**

Please be mindful that supervision does not start until 8:45 a.m., and students may not be left on their own (inside or outside) prior to that time.

## **Bus Loop/Kiss 'n' Ride and Pick-up/Drop-off**

The lot at the front of the school is off limits to parents during the bus times - 8:45 - 9:00 a.m. and 3:15 - 4:00 p.m. To ensure student safety, please use the Kiss and Ride loop, as opposed to the bus loop. If your child is arriving late, please park and walk your child into the school. If you are picking up your child early, please park and come in as opposed to stopping in the bus loop.

If a child is arriving at 9:00 they are considered late, and will need to come into the office to sign in before heading to class.

### **Safety Reminder: Kiss 'n' Ride**

As we finally get to enjoy some nicer weather, please be reminded to stay vigilant when dropping off or picking up your children from the Kiss 'n' Ride. Cars may only pause so that students may exit the vehicle to meet a staff member on duty. We kindly ask that you do not park your car in the Kiss 'n' Ride. If you must park, please find an available parking spot and walk your child to the front door of the school (or to a staff member on duty outdoors). Thank you!

## **Thank you for supporting Student Safety**

## **It's time to remind children about being safe in our community.**

It's a good time for parents to remind children about personal safety.

Here's what children need to know:

- Their name, age, telephone number, address, city and province. This can be done through rhyme or song.
- How to contact their parents at any time, by memorizing cell or work numbers.
- How and under what circumstances to call 911.
- To never approach or enter a stranger's vehicle. A responsible adult would never ask a child for directions or any other question for that matter.
- Make sure they know they have a right to say "no" to an adult, especially when the adult is asking them to do something they have been taught is wrong or feels uncomfortable. Reminding children of this right is important because children are taught from a young age to respect adults.
- To always tell parents where they will be and to never enter someone's home without their parent's permission.
- If home alone, never admit it when answering the phone. Never answer a knock at the door or speak through it. Adults can be very persuasive. Teach your child to call you if there is a knock at the door and if they fear for their safety, teach them to call 911. Make sure they know that police officers are there to help them and would not get mad if it were a false alarm.
- If they think they are being followed or are in danger they should run home or to a public place. If someone grabs them, they should try to get away, yelling and screaming while doing so.
- It is important to play in safe areas, never take shortcuts and stick with a buddy whenever possible.

It is never too early or too late to teach children the importance of personal safety. Common sense, communication and consistency are the keys. Remind children to alert a responsible adult if something strange happens that makes them feel uncomfortable. Remember, crime prevention is everyone's responsibility.
