

SHARON PUBLIC SCHOOL COUNCIL COMMUNICATION

2019-20 Council Recap

While the school year is ending differently than we had hoped, the SPS Parent Council is proud to have provided a wide range of activities for students this year! Funding for these initiatives was possible because of the support from **YOU**- our school community. Participation in school fundraising projects is essential to raising funds to provide added technology, athletic, mental health and arts programs at the school! Thank **YOU** for making this happen!

Parent Volunteer Needs

Snack bins are back!!

We are very pleased to have received funding to restart the morning snack program at Sharon Public School. An exciting volunteer opportunity will be available starting in September to recruit, train and manage volunteers and leadership students to coordinate daily snack bins. This would be a great opportunity for someone looking to get more involved, gain experience with volunteer management and provide an amazing support to the school.

Positions needed:

- Coordinator (1 needed)
 - Ensure each day has an assigned volunteer for the delivery of snacks
 - Enlist volunteers for shopping to replenish as needed
 - Organize supplies in school kitchen
- Daily distribution volunteers (3-5 needed)
 - Work with leadership students to pack and distribute snacks
- Shoppers (3-5 needed)
 - Purchase items as needed and deliver to school

Priorities for Council

Fall 2020 will very likely look very different for our students. While we don't know all the details of what the year will bring, SPS Parent Council will continue to support our students and teachers in providing a safe and healthy learning atmosphere with augmented equipment and programming.

Fall Fundraising:

Big Box of Birthday Cards is a set of 33 Birthday cards for the low price of \$33! Fundraising prizes to be announced at a later date!
