Also a quick note to let you know that WE'RE BACK with a new, yummy menu. Our Fall Paper Menu should be coming home soon with your child but there's no need to wait.

Our menus are already posted and open for orders ONLINE. Monday's and Friday's menu look for **SEPTEMBER - OCTOBER 2016**, for Tuesday's menu look for: **Tuesday Hot Dog Day September 2016- January 2017**.

You can order at your convenience, at any time of the year, for as many days as you want, have access to our entire menu and pay online. We will begin delivery to your school **September 13, 2016**

To set up an account, add students or place an order please go to www.thelunchlady.ca - ORDER NOW to login .

You will need your child's **teacher name** in order to be able to order. Please **do not choose teacher as "UNKNOWN"** as it will be very hard for us to know where to deliver your child's lunch.

New to the area? WELCOME to our program! If you have had Lunch Lady before, please email me to move your account.
