EARLY DISMISSAL - JUNE 27TH All schools in the York Region District School Board are committed to improving student achievement and well-being. **On Thursday, June 27, 2024**, an early release day will take place to allow elementary staff to take part in meetings during the afternoon of that day. These meetings will allow for school staff to engage in culminating activities regarding the review and revision of the School's Improvement Plan as well as year-end and transition activities that support student success.

As has been our practice in the past, students will attend school during the morning of **Thursday, June 27, 2024** only. **Students at Silver Pines PS will be dismissed early that day at 11:30 am.** Arrangements will be made to ensure that students who are normally bused to and from school will receive transportation at this time. Families whose children attend after school child care should make appropriate arrangements to address this change in schedule.

SILVER PINES IS A NUT SAFE SCHOOL

We would like to remind you that **Silver Pines Public School is a Nut Safe School.**

Please note that students are not permitted to bring food that contains any nut products. In addition, food items are never to be shared at school. Please check the ingredients carefully before sending food to school.

Please remember that several of our children will experience anaphylactic shock if they are exposed to even a tiny amount of peanut oil or peanut butter. In fact, some children will go into anaphylactic shock if they even smell peanuts or peanut products. When this happens, the child must be immediately injected with an epi-pen and then transported to the hospital for emergency treatment. If treatment is not given immediately, the results can be fatal.

For this reason the school **MUST be a PEANUT AND NUT-SAFE ZONE.** What this means is that no peanut or peanut products of any kind may be brought into the school. We are asking for your assistance in dealing with these children's allergies. Talking about the situation with your children will also help, since the more information they have, the better they will understand the reality of the risk to those children with peanut allergies.

CELL PHONES AT SCHOOL

A reminder about the use of cell phones in school. Cell phones and other personal communication devices are to be turned off and kept out of sight during instructional time, unless otherwise permitted by the teacher for instructional purposes. Cell phones are not allowed outside at recess, lunch or anytime in hallways or washrooms. If students need to contact parents, they are expected to do so through the office with the permission of their teacher. Students should not be texting at school, taking photos of any kind, or going on social media. Failure to abide by this may result in confiscation of the electronic device. Please speak to your child about this at home and help us keep our school safe. Should you need to contact your child during the school day, please call the office.

END OF DAY - EARLY PICK UP

Though we encourage families to make appointments and other engagements outside of our school hours, we understand that sometimes this is not possible. To limit disruptions to end of day routines in classrooms, we ask that any early pick-ups to be **completed by 2:30pm.** The last 30min of the school day is a busy time for students and staff who are engaged in many end of day activities, and we would like to limit any additional disruptions to the learning of all of our students during this time. As always, please try to inform the office and your child's teacher by email/Edsby ahead of time. Thank you for your cooperation!
