EARLY DISMISSAL - JUNE 27TH All schools in the York Region District School Board are committed to improving student achievement and well-being. On Thursday, June 27, 2024, an early release day will take place to allow elementary staff to take part in meetings during the afternoon of that day. These meetings will allow for school staff to engage in culminating activities regarding the review and revision of the School's Improvement Plan as well as year-end and transition activities that support student success.

As has been our practice in the past, students will attend school during the morning of Thursday, June 27, 2024 only. Students at Silver Pines PS will be dismissed early that day at 11:30 am. Arrangements will be made to ensure that students who are normally bused to and from school will receive transportation at this

time. Families whose children attend after school child care should make appropriate arrangements to address this change in schedule.

SUMMER PROGRAMS

The York Region District School Board will be pleased to offer a variety of summer learning programs for students in summer 2024. Please see link

CELL PHONES AT SCHOOL

A reminder about the use of cell phones in school. Cell phones and other personal communication devices are to be turned off and kept out of sight during instructional time, unless otherwise permitted by the teacher for instructional purposes. Cell phones are not allowed outside at recess, lunch or anytime in hallways or washrooms. If students need to contact parents, they are expected to do so through the office with the permission of their teacher. Students should not be texting at school, taking photos of any kind, or going on social media. Failure to abide by this may result in confiscation of the electronic device. Please speak to your child about this at home and help us keep our school safe. Should you need to contact your child during the school day, please call the office.
